oPENING

This is a book of photographs.

Text was used sparingly because it was felt by the 2002 *Razorback* staff that the faces and places would be most impacting if they stood alone.

This book is one of pictures of one year of events and people connected to the University of Arkansas.

Because it is a yearbook and a history book, we wanted it to be as truthful as possible.

It is not broken up into sections, but shown in chronological order> as events actually occurred.

During this year, we were the University. We changed it, and it changed us. We changed each other.

The hope for this book is that it shows those changes.

Writers are biased, pictures are not. When text was used, it was done so in interview form> facts coming straight from the one who experienced the event.

The truest way to make a yearbook is to leave out the opinions of writers and show the year through a camera lense and in the order the photos were taken.

Pictures can't lie. This is what life was like. This is what we did. These are the places we went.

This is who we were.

These are the events and people that made the University during August 2001 to May 2002.

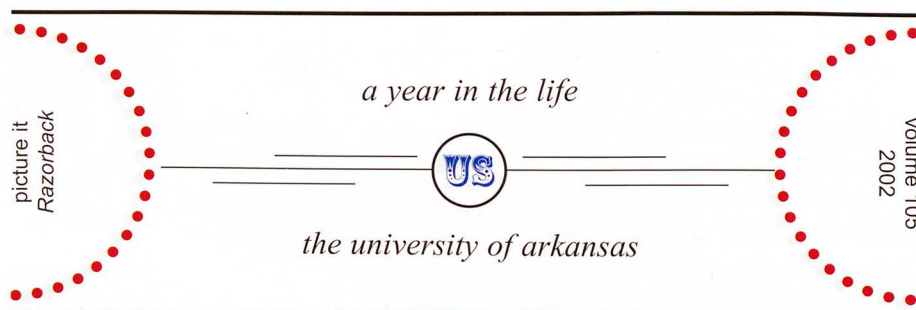

The title and theme of this book is **PICTURE IT**.

We wanted to allow people to open this book many years down the road and return to this time and place through memories.

We captured everyday life and special events and published them together in this history book to show the year.

Here is the 2002 *Razorback* >>

RUSH WEEK BID DAY

INTERVIEW WITH
SOPHOMORE HEATHER
RENFROE BY KRISTINA
WATKINS

Q: What is rush?

A: You go to each sorority house the week before school starts. Each day you eliminate a house. The houses eliminate girls too. The last day of rush you narrow your sorority options down to two. Later you go to a party at the houses, and they are usually formal. Afterwards you think about which sorority you'd prefer to be in and you rank them as your first or second choice. The Greek system matches you up with the sorority that fits both what the two houses said about you and what you thought about the two houses. My first choice was Alpha Delta Pi, and I was matched up with that sorority. If you're high on the sorority's list then you get a bid. Hopefully you'll get your second choice if you're not high on the list of your first choice.

Q: What is sorority bid day?

A: Basically, you find out which house you get into. You get your bid card and if you want to accept the choice, then you sign it and turn it in.

Q: How many girls are involved?

A: Several hundred.

Q: How was the experience of rushing?

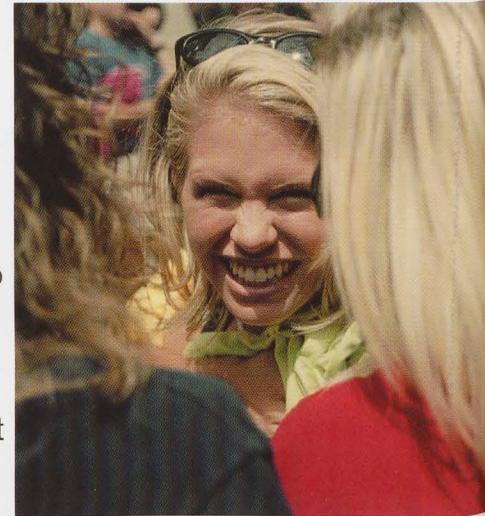

A: I'm very glad I'm in a sorority. Whether or not you end up in a house, it's a good experience. It gives you a chance to learn how to deal with different people. I'm not a typical sorority girl so it was hard to talk to some of the girls. I noticed though that a lot of the girls get nervous about rush and bid day, but there is really no reason to. If you're yourself, then you'll end up where you want to be.

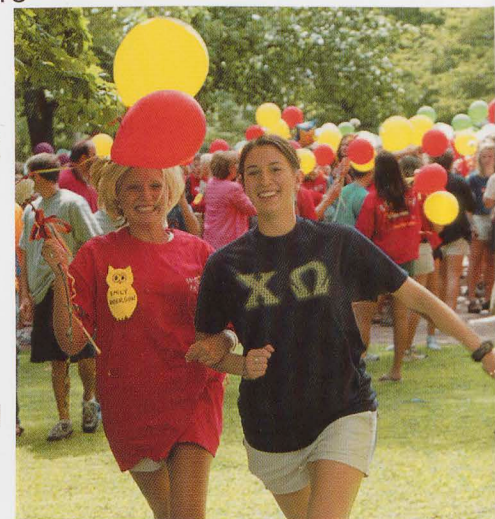

aARON eSMAELPOUR PHOTO

nATALIE aNDERSON PHOTO

aARON eSMAELPOUR PHOTO

aARON eSMAELPOUR PHOTO

Q: What kind of stuff do you do?

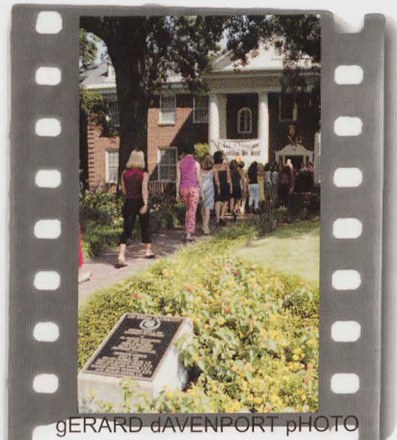

A: All of the sororities do some kind of community service. Each sorority has its own philanthropy to help support- for example, our is St. Jude Hospital and the Ronald McDonald house. We do some type of event to support it. There are also different grade requirements- you have to keep up your grades. You're also encouraged to be in other organizations on campus. I have to be in at least two others.

Q: What is the purpose of being in a sorority?

A: To be more well-rounded individuals and leaders.

aARON eSMAELPOUR PHOTO

GERARD dAVENPORT PHOTO

Rush week began August 20, 2001 and came to an unforgettable climax on Bid Day when each girl chose and was chosen for the sorority she would pledge.

AUGUST

WELCOME WEEKS

*INTERVIEW WITH MICHELLE
HURN, FRESHMAN FROM
PLANO, TX BY KRISTINA
WATKINS*

Q: What activities did you participate in during Welcome Week?

A: Hype night—it included a bunch of different activities; miniature golf, an activity where you joust each other, basketball and dancing. There was lots of food. I won a basketball hoop for getting a hole-in-one on the last hole.

Q: How did Welcome Week give you an opportunity to familiarize yourself with the university?

A: I had never been in the HPER building before. It gave the new class a chance to meet new people. I golfed with a couple of other people and I saw a couple of my friends from back home.

Q: What other activities did you participate in before classes started?

A: The Campus Scavenger Hunt August 22nd, in the union mall. It included questions like 'What's in front of Old Main?' It was something to meet people and get familiar with the campus.

Q: Were there any parents or was it just for students?

A: It was just students, no parents.

Q: What other activities did the University provide to help you adjust?

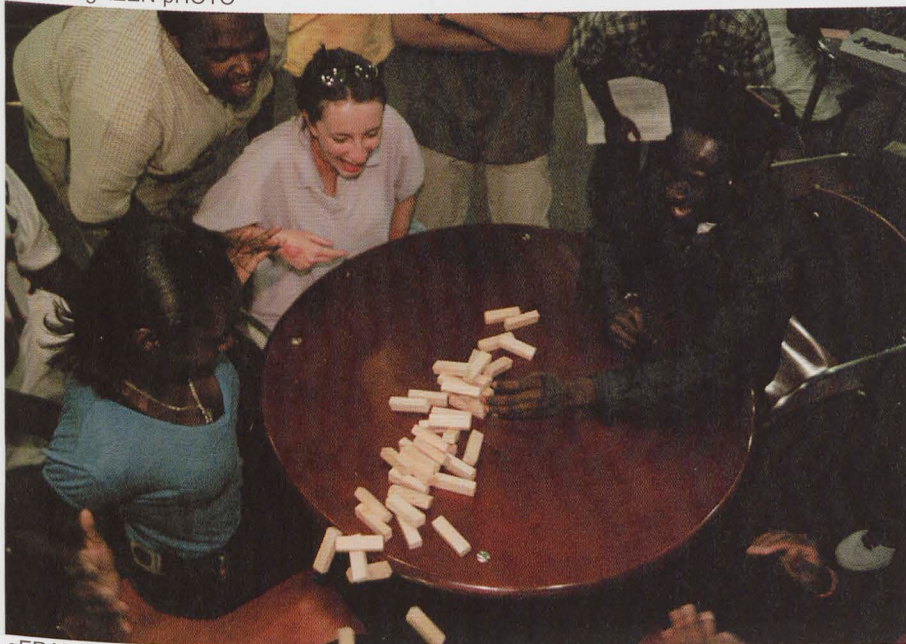

A: Traditions night August 25th, which included the first pep rally that was just for freshmen. They announced the different men's and women's athletic teams. It was a lot of fun. As soon as they got to the band and dancing, it was fun. Before that a woman showed a goofy video about the university.

Q: When did you move into the dorm and how was the moving situation?

A: Move in Day was August 18th. More freshmen athletes moved in because we had practices before school started. That's when I met my roommate. I live on the 2nd floor of Gibson, and it's nice because you already have most of the furniture you need in the dorm rooms. Getting unpacked and everything organized is probably the worst part.

DICKSON STREET

INTERVIEW WITH pATRICK tHOMAS fROM fOREST hILL, LA bY kRISTINA wATKINS

Q: What kinds of activities go on at night on the weekends on Dickson Street?

A: Dancing at Dave's on Dickson, JR's, Cafe Santa Fe and Jose's.

Q: What is the atmosphere like at Dave's?

A: It's always hot; there are a lot of people. It's always jam-packed.

Q: What are the demographics of Dave's?

A: There are always a lot of college students. It is a combination of men and women.

Q: What is the atmosphere like at JR's?

A: There are a lot of hippies and less dancing. A lot of older people, a lot of freaks.

Q: What are things people can do at JR's?

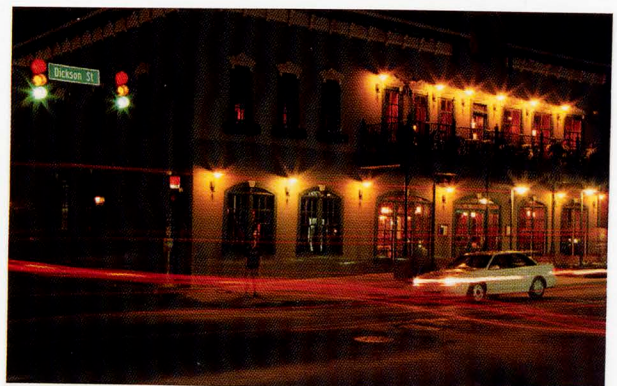

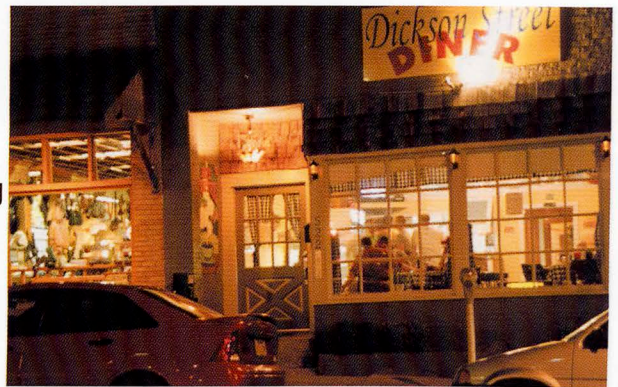

A: There is karaoke, but at Cafe Santa Fe there is karaoke on Wednesday nights.

Q: What goes on at Jose's?

A: It's more of a place to socialize, there's a patio where people socialize and drink. Sometimes they have live bands. It's a relaxing atmosphere.

Q: What is your favorite thing to do on Dickson?

A: Eat at Jose's.

BUYING TEXT BOOKS

*INTERVIEW WITH mELISSA
pERRY, sOPHOMORE fROM
hAMBURG, AR bY kRISTINA
wATKINS*

Q: What problems did you encounter when buying textbooks this year?

A: The University Bookstore in the Union didn't order enough copies of required books for the students' needs. I went into the store and requested for them to order more books for my geology class because they didn't have any. They said they would order some more, but they only ordered five more. Then ran out again before I could go back to the bookstore to buy it. It was very frustrating. The book situation was awful this year. I didn't get the book until at least the second week of class. I even tried to get the book before classes even started.

I tried the Dickson Street Book Exchange too, but they didn't have the right edition. Also, the teachers had some problems communicating with the bookstore as far as what edition they were teaching out of. I ended up with the wrong edition of a book in my English class. The teachers didn't let the bookstore know early enough which books they were teaching out of because the teacher used a different edition than what the students were told to buy.

Q: About how much did all your books cost you this semester?

A: About \$370. I always see signs at the University Bookstore advertising that they have the lowest prices. Well, that's not true because I went to the Dickson Street Book Exchange and found books anywhere from two to 15 dollars cheaper than prices at the University Bookstore. So, I don't know how they can claim that.

Q: When did you try to buy your textbooks?

A: I tried to buy my books before classes even started. I ended up getting most of them before classes started. I did try to preorder my books but it ended up being a hassle because I got a lot of the wrong editions of books.

I would recommend if you're a freshman to preorder your textbooks because it was a lot easier my freshman year not having to go look for the books on the shelves. Also, if you want used books I would recommend preordering them because the bookstore is less likely to run out.

aARON eSMAELPOUR PHOTO

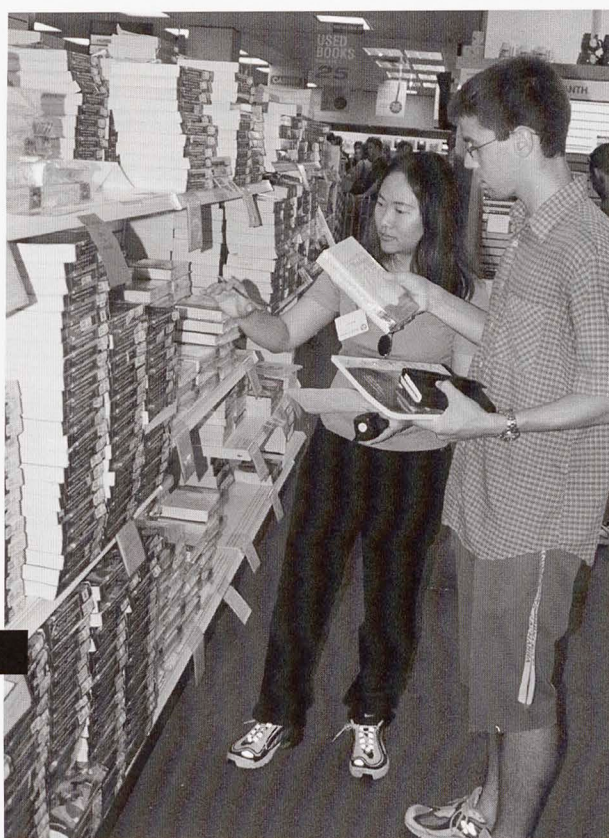

aARON eSMAELPOUR PHOTO

During the early days of the semester, students scouted the Union Book Store, Dickson Street Book Exchange and Wallace's Book Store for the best deal on textbooks.

targeted for attack because we're the brightest beacon for freedom and opportunity in the world. And no one will keep that light from shining. Today, our nation saw evil, the very worst of human nature. And we responded with the best of America -- with the daring of our rescue workers, with the caring for strangers and neighbors who came to give blood and help in any way they could. Immediately following the first attack, I implemented our government's emergency response plans. Our military is powerful, and it's prepared. Our emergency teams are working in New York City and Washington, D.C. to help with local rescue efforts. Our first priority is to get help to those who have been injured, and to take every precaution to protect our citizens at home and around the world from further attacks. The functions of our government continue without interruption. Federal agencies in Washington which had to be evacuated today are reopening for essential personnel tonight, and will be open for business tomorrow. Our financial institutions remain strong and the American economy will be open for business, as well. The search is underway for those who are behind these evil acts. I've directed the full resources of our intelligence and law enforcement communities to find those responsible and to bring them to justice.

TERRORISM ON A NATIONAL LEVEL

026-027

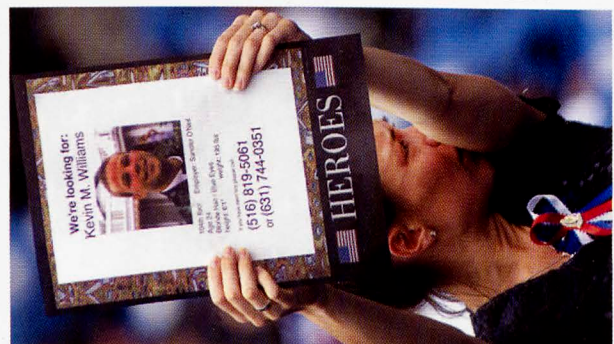

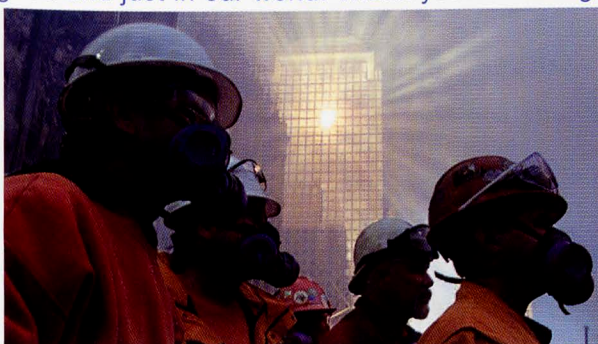

KNIGHT RIDDER PHOTOS

September 11, 2001 Statement by President Bush in His Address to the Nation 8:30 P.M. EDT
Good evening. Today, our fellow citizens, our way of life, our very freedom came under attack in a series of deliberate and deadly terrorist acts. The victims were in airplanes, or in their offices; secretaries, businessmen and women, military and federal workers; moms and dads, friends and neighbors. Thousands of lives were suddenly ended by evil, despicable acts of terror. The pictures of airplanes flying into buildings, fires burning, huge structures collapsing, have filled us with disbelief, terrible sadness, and a quiet, unyielding anger. These acts of mass murder were intended to frighten our nation into chaos and retreat. But they have failed; our country is strong. A great people has been moved to defend a great nation. Terrorist attacks can shake the foundations of our biggest buildings, but they cannot touch the foundation of America. These acts shattered steel, but they cannot dent the steel of American resolve. America was

... We will make no distinction between the terrorists who committed these acts and those who harbor them. I appreciate so very much the members of Congress who have joined me in strongly condemning these attacks. And on behalf of the American people, I thank the many world leaders who have called to offer their condolences and assistance. America and our friends and allies join with all those who want peace and security in the world, and we stand together to win the war against terrorism. Tonight, I ask for your prayers for all those who grieve, for the children whose worlds have been shattered, for all whose sense of safety and security has been threatened. And I pray they will be comforted by a power greater than any of us, spoken through the ages in Psalm 23: "Even though I walk through the valley of the shadow of death, I fear no evil, for You are with me." This is a day when all Americans from every walk of life unite in our resolve for justice and peace. America has stood down enemies before, and we will do so this time. None of us will ever forget this day. Yet, we go forward to defend freedom and all that is good and just in our world. Thank you. Good night, and God bless America. END 8:35 P.M. EDT

CROSS COUNTRY

INTERVIEW WITH cHRISTIN wURTH fROM bLOOMINGTON, IL
bY kRISTINA wATKINS

aLL pHOTOS bY gERARD dAVENPORT

Q: How did the youth affect the team's success throughout the season?

A: The freshmen did a tremendous job of stepping in and fulfilling some big roles. To have six runners in the top 15 in the SEC is awesome. Throughout the season they kept improving to help the team.

Q: How have you improved?

A: Well, I went from being the 4th runner last year to the 2nd runner this year in order to help the team by example. Each meet you go to you run your hardest, and that's all you can do. That's all anyone can expect out of you. I do my best and I let God do the rest.

Q: What is the experience of being a front runner at a Division I school?

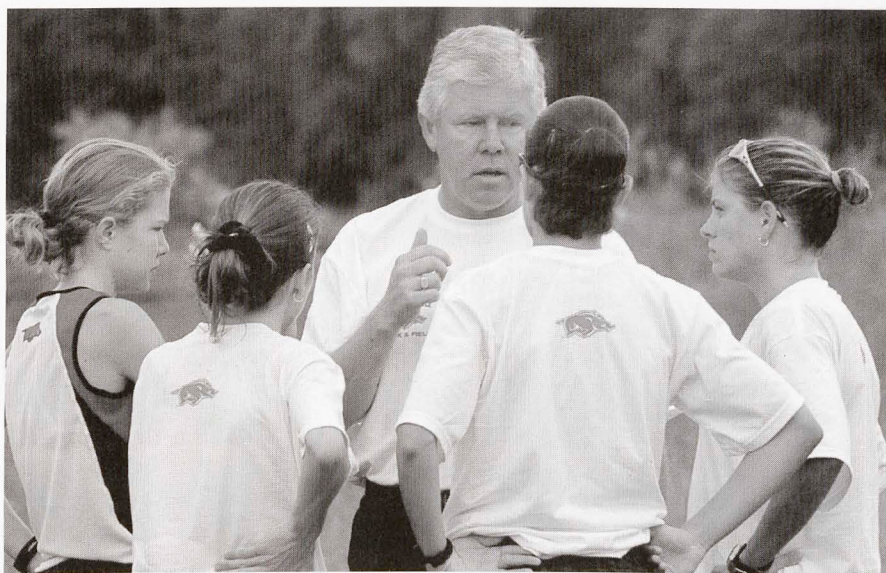

A: I try to help the young runners by giving them knowledge about what to expect at races. The experience is fun, and the thing with the team is that we bind together as friends too.

Alister Cragg and Daniel Lincoln came in together for 1st at the Arkansas Invitational. The men's and women's teams both won the meet.

Q: What did you learn from the season?

A: One thing was that everyone has a different, unique personality to add to the team. These unique characteristics work together to make our team stronger. Our team did well preparing for a lot of the bigger meets, and we had some of the best performances there. Next year the team should be even stronger, leading to a stronger charge.

Q: Did Nationals reflect the team's potential?

A: No, we all happened to have bad races runners 1-7, and we're very disappointed. We had expectations of finishing in the top ten, and we ended up finishing 17th.

Q: What are the expectations for cross country next year?

A: We have some big expectations. Our team is going to keep getting stronger and hopefully we will be in contention for a national title.

SOCGER

*INTERVIEW WITH
sOPHOMORE jULIE
wILLIFORD bY kRISTINA
wATKINS*

Q: How does it feel to be so young and have such an impact on the team?

A: It's hard because when you start out playing really good, people always expect you to play that good all the time. When we played Texas Tech toward the beginning of the season, I scored four goals. So later when we played Florida, who is a ranked team, everyone expected me to score the same number of goals, even though they are different teams.

Q: Does soccer have two seasons?

A: The fall is our main season. We play scrimmages in the spring, which is our off-season time.

Q: What is it like playing at the SEC tournament?

A: We didn't play in it this year, but we did last year when I was a freshman. It was awesome to see so much experience there in each team playing.

Q: Were the expectations of the team met this year? How about the expectations for yourself?

A: No, we didn't do as well as we wanted, but we did build a foundation. I did meet my expectations, but I still have a lot of development ahead as a player to reach my potential. I'm happy with the way I'm developing as a player, but I do have a long way to go still.

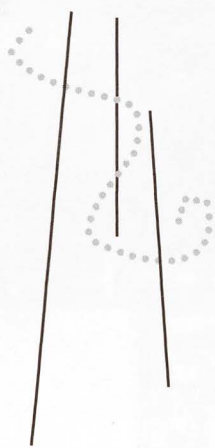

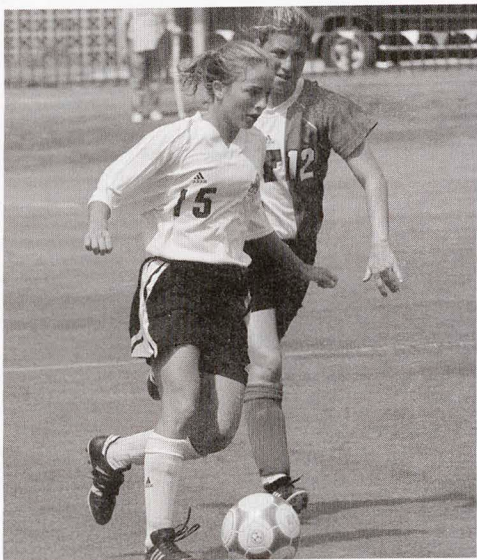

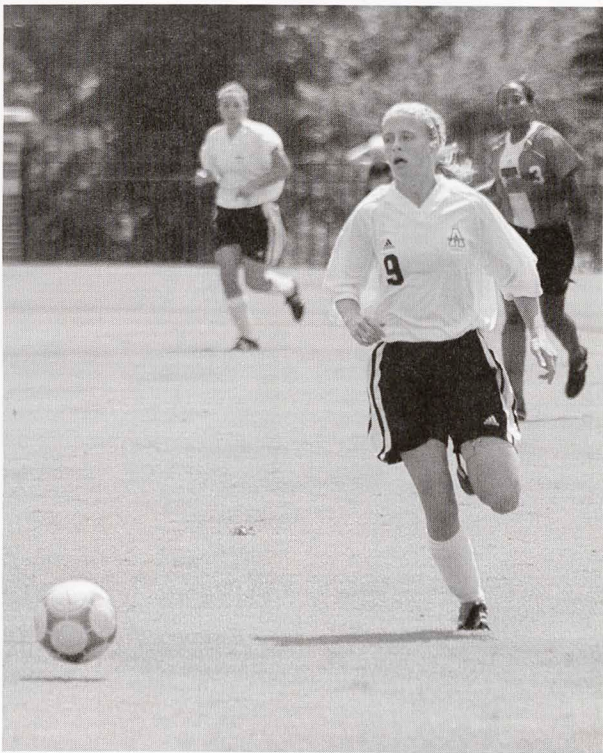

Q: What are some of the team's strengths?

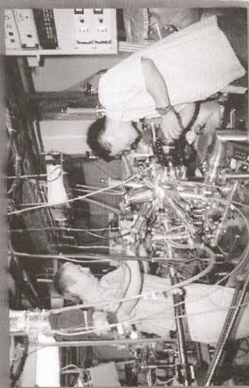

A: The teamwork is excellent. We connect on and off the field. We work together and bond as a team.

Q: How is the loss of three seniors going to affect the team?

A: The three seniors- Shannon Clancy, Holly Collins and Stephanie Lyman- have built a foundation for the team. Now our job is to continue to develop a strong foundation and expand on that.

INTERVIEW WITH JUNIOR IIBBY wENDELL BY KRISTINA wATKINS

Q: What was it like being on the bubble of making the national tournament this year?

A: It was a real accomplishment. We knew we wanted to get to the NCAA tournament. Last year was the first year we didn't go to the post-season so we wanted to prove to everyone that we didn't go for a specific reason. We were supposed to be there.

Q: What did the team do differently this year to earn the SEC west championship title and an NCAA berth?

PICTURE IT

A: We gained more confidence. We went into matches with an attitude that we were going to beat them. We played Tennessee, who was a top 25 team, and they lost to us in five games. Also, when we played South Carolina in the middle of the season, we beat them when they were ranked around 20th. Good accomplishments. This year at the SEC tournament, when we beat Alabama for the west championship, we made a statement after losing the title to them last year.

Q: What improvements have you seen in yourself and in the team?

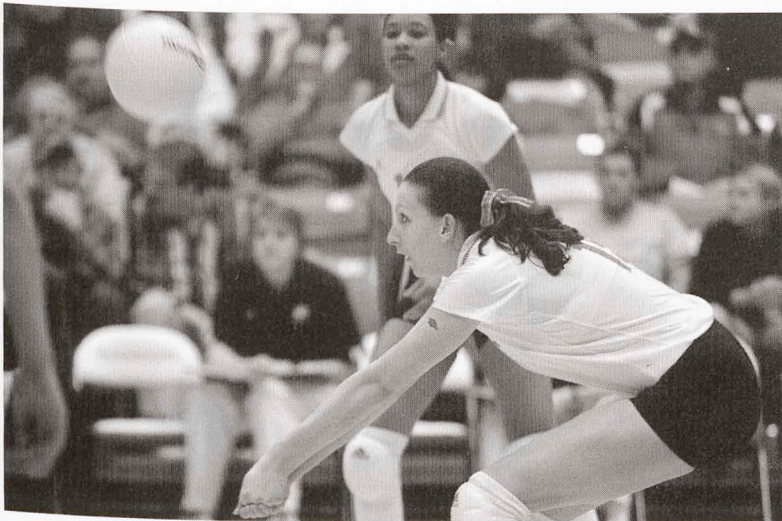

A: Personally, I am a more dynamic hitter. My hitting percentage this year was a lot higher and for most of the season I was ranked number two in the nation with number of hits in the 400s. As a team, we set goals to win the SEC west title, SEC tournament and qualify for NCAA.

Q: What are your goals for the 2002 season?

A: To win the west title, SEC tournament and make it at least to the Sweet 16 at the NCAA tournament. We've been to the Sweet 16 once in 1998. The furthest I've been is the second round of the tournament my freshman year.

Q: How and what did the freshmen contribute to the team this year?

A: The freshmen were a bunch of key players. Jennifer Haaser who is a redshirt freshman was SEC athlete of the year. She was number five in the nation in blocks at one time. Also, Alicia Pacini contributed in the back row in setting.

CER

*INTERVIEW WITH THE WOMEN'S HEAD COACH ULRICA BELLINÉ
BY KRISTINA WATKINS*

Q: What and how have the freshman contributed to the team so far?

A: There are two freshman who have actually traveled most of the season. Lina Axelsson, who is Swedish, has been pretty much the number one player all season. She stepped right in and took over the number one spot. Gena Johnson is the other one who has traveled about 75 percent of the time this fall. I'm looking forward to watching her develop.

Q: What are the goals of the team in the spring?

A: We're assuming we'll make it to NCAA Regionals. It is similar to basketball in that there are three regions and depending on where you are seeded determines where you go to play. We qualified for the Regional meet two years ago, and we barely missed qualifying last year.

Q: What changes and/or improvements are there in this team compared to the team last year?

A: The team is so young this year. We only have two upperclassmen, which is unusual because we usually have more. The team is bottom heavy, but they're expected to grow and improve.

Q: How do you think the youth of the team will be a factor in the team's success?

A: It can go both ways. The young players don't have the experience. They may play good because they are used to playing good or they may feel overwhelmed or out of their league. We're going to talk about this and that they're as good as anyone else.

Q: What are the team's strengths and weaknesses?

A: The strengths are that the team is getting together as a group. They are very supportive of each other even though it is an individual sport. They get together outside of golf because it is now their off season. They are involved in community service, they have dinners together, and they have an annual Christmas party. The weakness is their inexperience.

GERARD DAVENPORT PHOTO

PICTURE IT

INTERVIEW WITH THE MEN'S HEAD COACH MIKE KETCHAM
BY KRISTINA WATKINS

050-051

Q: What are the strengths and weaknesses of the team?

A: The strengths of the team are that they are all very coachable; they have the ability to play at the Division I level. Not only that but they can win at this level too. I'd say the inexperience is the only weakness of the team, which keeps progressing through tournaments.

Q: What are the goals for the team in the spring?

A: The immediate goal is number one to improve tournament by tournament. We are well on our way of doing a good job of that. We also want to qualify for NCAA Regionals.

Q: Do you think the youth of the team will be a factor in the team's success?

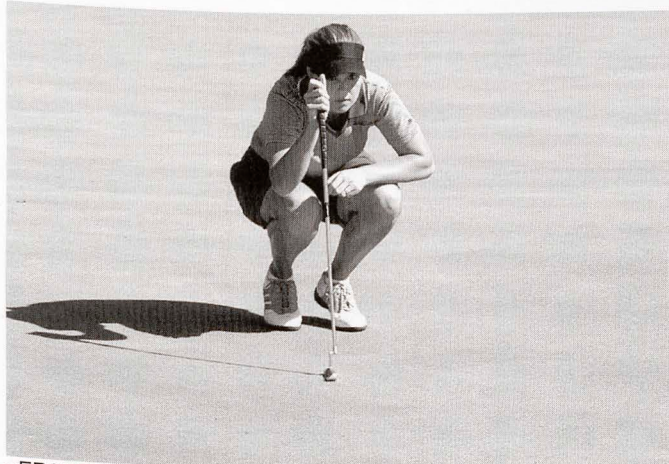

A: Well, as you said, the team is very young; however, in the fall they grew up very quickly. They're a nice young group of individuals, each a leader. They're headed toward continuing to improve as the spring goes on.

Q: How have the freshmen contributed to the team so far?

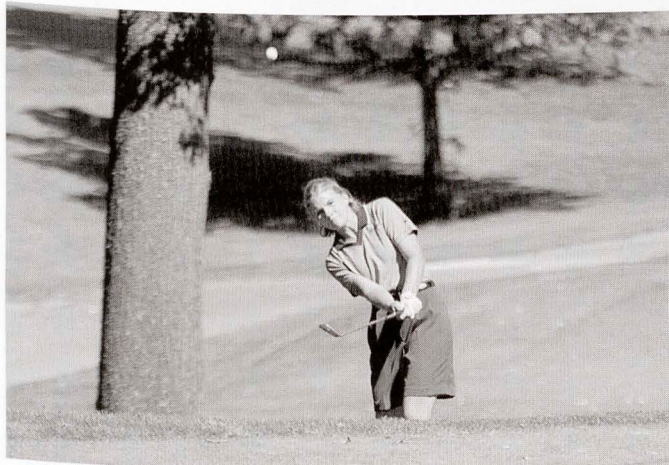

A: There are six new ones; four of them are true freshmen. Only one of the freshman played in a tournament this fall- Josh Farrell. It was the first tournament of the fall and I was very happy with Josh. He has a lot of great golf ahead.

INTERVIEW WITH SENIOR CHEYNE BEES BY JENNY MARBERRY

Q: What was it like traveling from South Africa to the United States to swim at the collegiate level?

A: Leaving home and coming to America was very exciting, but also very scary. When I came to the UA in 1998, it was the first time that I had ever been overseas, and I think that the longest I had ever been away from home was a week, so coming half way around the world for a year was pretty scary. Also, most students get to visit the university that they are going to attend, but I just had to go by what I had heard from my coaches and by looking at the media guides which they sent me. So I really wasn't too sure what to expect.

Q: What is your favorite part about the University of Arkansas in general?

A: I love the university in general. The people here have been so open and friendly and generally made me, as a foreigner, feel "at home." When I was looking for schools I was looking for one that wasn't too big, in a place that wasn't too cold, and a school that would give me the opportunity to get some excellent racing experience and the University of Arkansas has given me all that and more.

Q: What do you plan to do after graduation?

A: I am still not 100 percent sure what I am going to do after graduation, but I think I want to stay and attend graduate school for the next 2 years, and then I hope to go back to South Africa and possibly get into coaching.

Q: After your shoulder surgery last season, did you think you were going to be ready to swim again this season?

A: I was hoping to be ready to race again this year, but honestly in the back of my head I didn't think that this year was going to be anything great. I was just trying to get going again this year so that I could have a good season next year. But I have ended up surprising myself.

Q: In which meet this season did you feel like you were back to where you were before your shoulder surgery?

A: It really only took 3 or 4 meets for me to get back to where I ended off a year ago, and by December I had already achieved some lifetime personal best times.

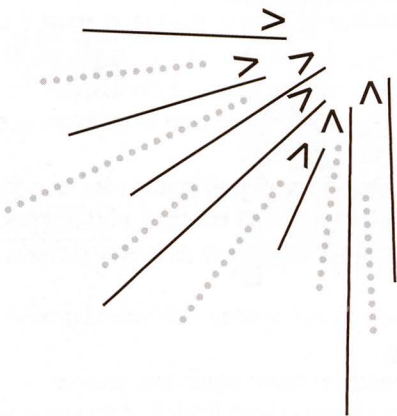

Q: What is your favorite part of the Lady'Back swimming team?

A: I don't know how else to explain our team but as my "family." I have made friends on this team that I know I will keep for life. They have all been really supportive, especially over the hard times, like when I've been really homesick or when I was out of the water after my surgery. We have a really special group of girls on our team. They are dynamic and radiant and know how to keep swimming fun. We are all friends in and out of the pool.

Q: What do you think you've gained from attending college at the UA and competing on the swim team?

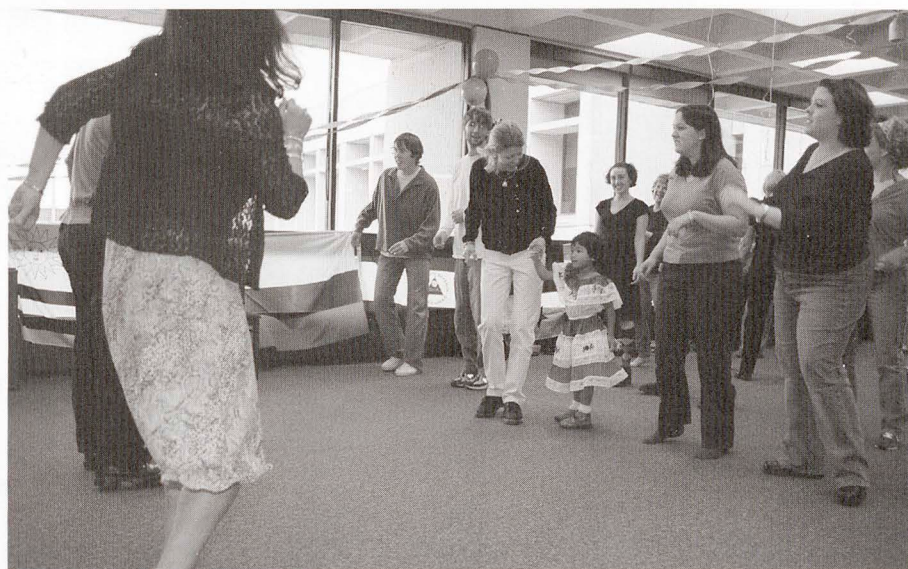

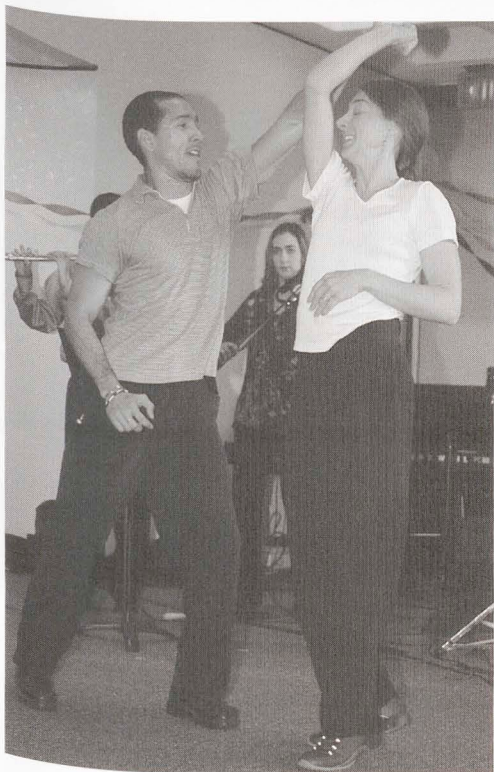

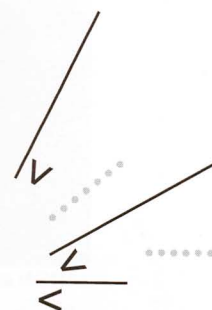

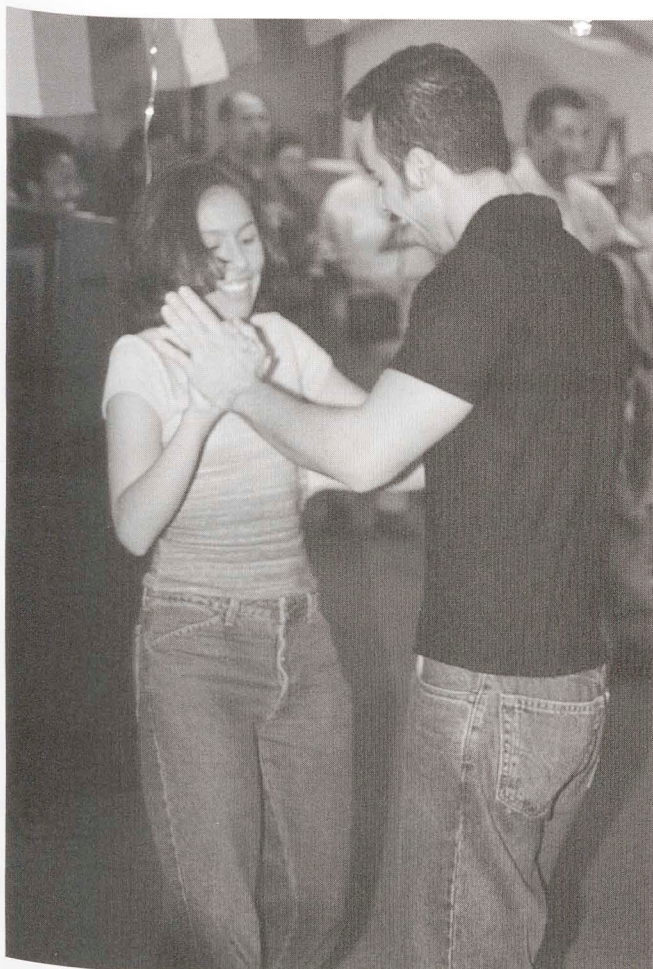

A: I have gained a lot being at the UA. First, I have grown up so much since I have been here. I have had my eyes opened to a whole new world, which has helped me mature and become a more well-rounded person. Then, of course my actual school education. Back in South Africa we don't have the opportunity to get athletic scholarships, nor do we have intercollegiate swimming, so coming to the UA, I not only got to study and keep swimming, but I also got to see a lot of the United States, which is an opportunity not many people get.

GRADUATION

In the world and at home, you have the opportunity and the responsibility to help make the choices which will determine the greatness of this nation... You live in the most privileged nation on earth. You are the most privileged citizens of that privileged nation; for you have been given the opportunity to study and learn... You can use your enormous privilege and opportunity to seek purely private pleasure and gain. But history will judge you, and as the years pass, you will ultimately judge yourself, on the extent to which you have used your gifts to lighten and enrich the lives of your fellow man. In your hands, not with presidents or leaders, is the future of your world and the fulfillment of the best qualities of your own spirit.

STEPHEN BORTOWSKI

Stephen Bortowski was born on July 27, 1978 to John and Anne Bortowski. He grew up in the Chicago area and attended a community college for a year before making the move to the University of Arkansas. Stephen graduated in May 2002 from the School of Architecture. His ambition for the future is to start working with a successful architecture firm then to start his own practice a few years down the road.

Stephen was involved in many areas on campus. He spent three years as an Undergraduate R.D. and two years as a Resident Assistant with University Housing. While living in Yocum Hall, he participated in Yocum's Hall Sentate and in Residents Interhall Congress as a representative. He has also coordinated Haunted Hall: a fundraiser for the United Way for three years.

After spending five years on campus, Stephen has learned that friends and colleagues will always be there for you and that by taking one day at a time, you're sure to succeed.

"The University has let me experience a new way of looking at things."

PEOPLE

Pig Tales is a game designed to teach you more about the University of Arkansas - its history, traditions, campus, people, and, of course, the Hogs.

As you browse through the next 60 or so pages, have a look at some of the trivia questions about the University of Arkansas and see how you do.

The categories of questions are indicated as they are to the left. The answers will be located at the bottom of the box.

CHASTITY BROADWAY

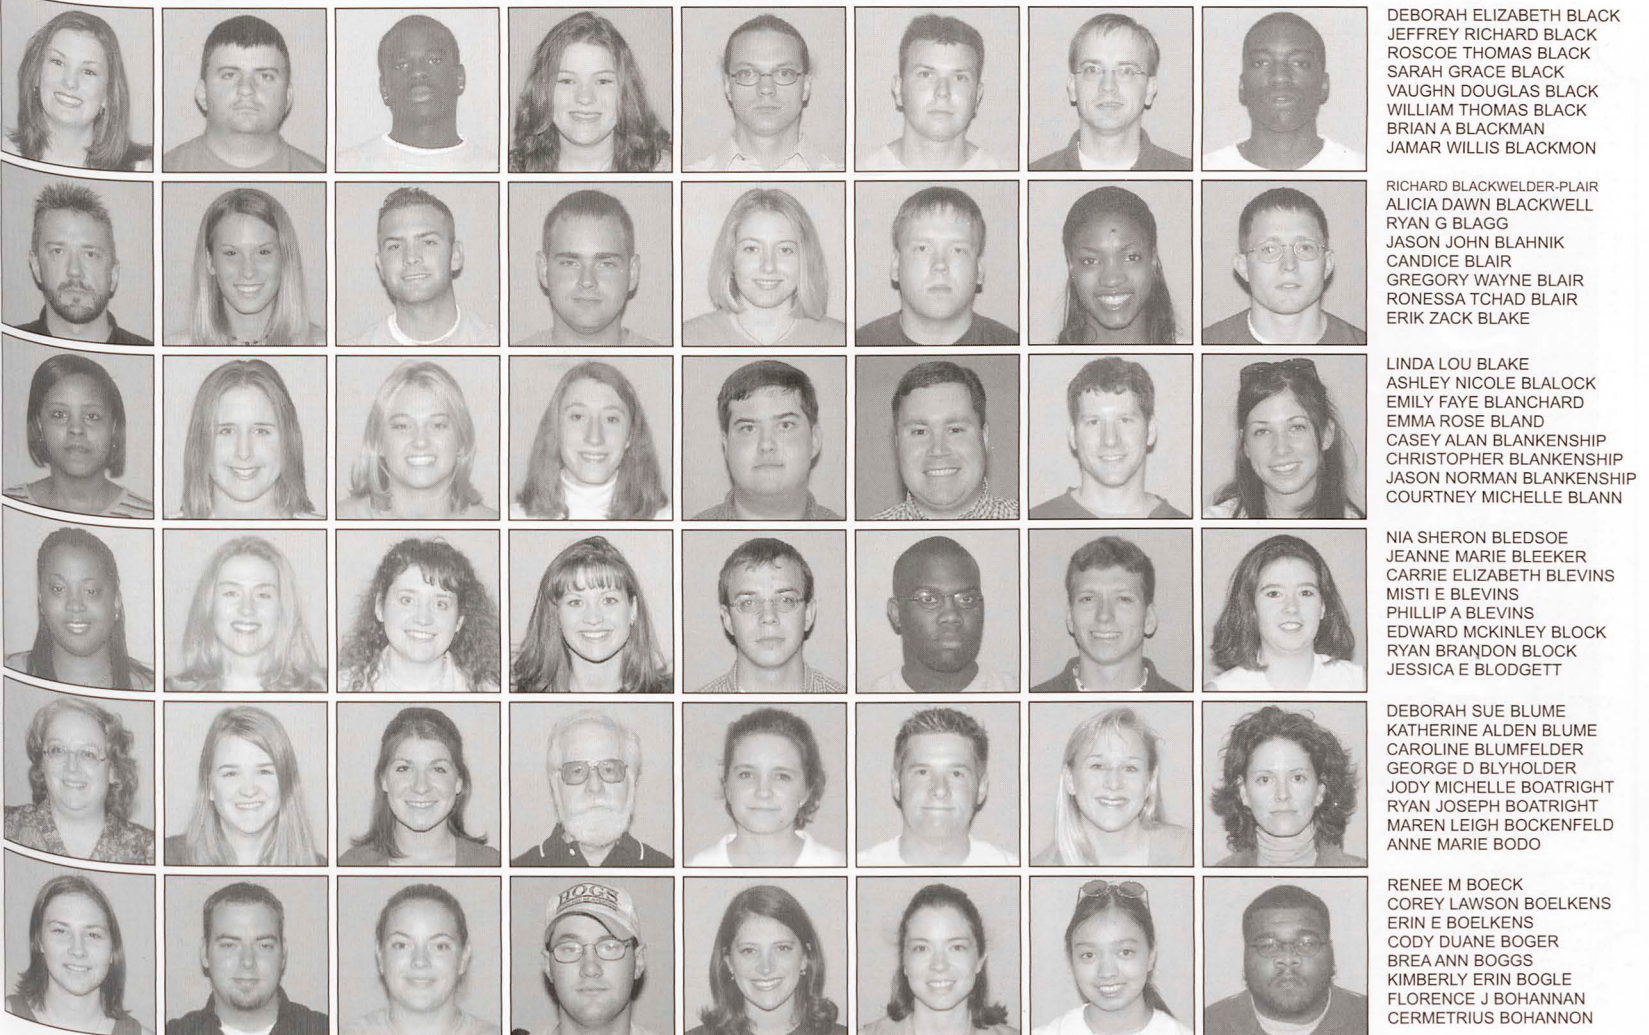

Chastity Broadway was born on August 24, 1979 to Kay Clark and Calvin Broadway. Her hometown is North Little Rock Arkansas. She graduated in August 2002 from the Sam M Walton College of Business with a degree in Administrative Management. Her ambition for the future is to obtain the essential knowledge to both own and operate a business for her family.

While on campus, Chastity was a Student Ambassador, and was involved in a number of student organizations including the national Society of black Engineers, The National Society of Black Accountants, the National Pan-Hellenic Council, and the Delta Sigma Theta Sorority.

"My experiences here at the University have opened my eyes to many different cultures and ideas."

From her experiences here she has learned that people contain more information and have access to more knowledge than any textbook or computer and that people are our best resources.

EMILY CHATHAM

Emily Chatham was born on August 9, 1978 to Jess and Barbara Chatham and grew up in Fort Smith, Arkansas. She graduated in December 2001 from the College of Engineering with a degree in Industrial Engineering.

Emily's plan for the future is to continue her education at the University of Arkansas by pursuing a Masters of Transportation and Logistics Management. With this degree she will strengthen her technical and quantitative skills necessary to secure a position with a multi-national American based firm such as Wal-Mart or J.B. Hunt. She hopes to use that experience to one day start her own company.

As an undergraduate, Emily has been a Resident Assistant, and a Resident Ambassador, and has been involved with Make a Difference Day and the Susan G. Komen Breast Cancer Foundation's Race for the Cure.

From her experience at the University, Emily has learned that a great attitude, enthusiasm, organization and perseverance are character traits that she will carry into the future.

"I have learned about the many facets of diversity while attending the University of Arkansas"

AMBER ELBERT

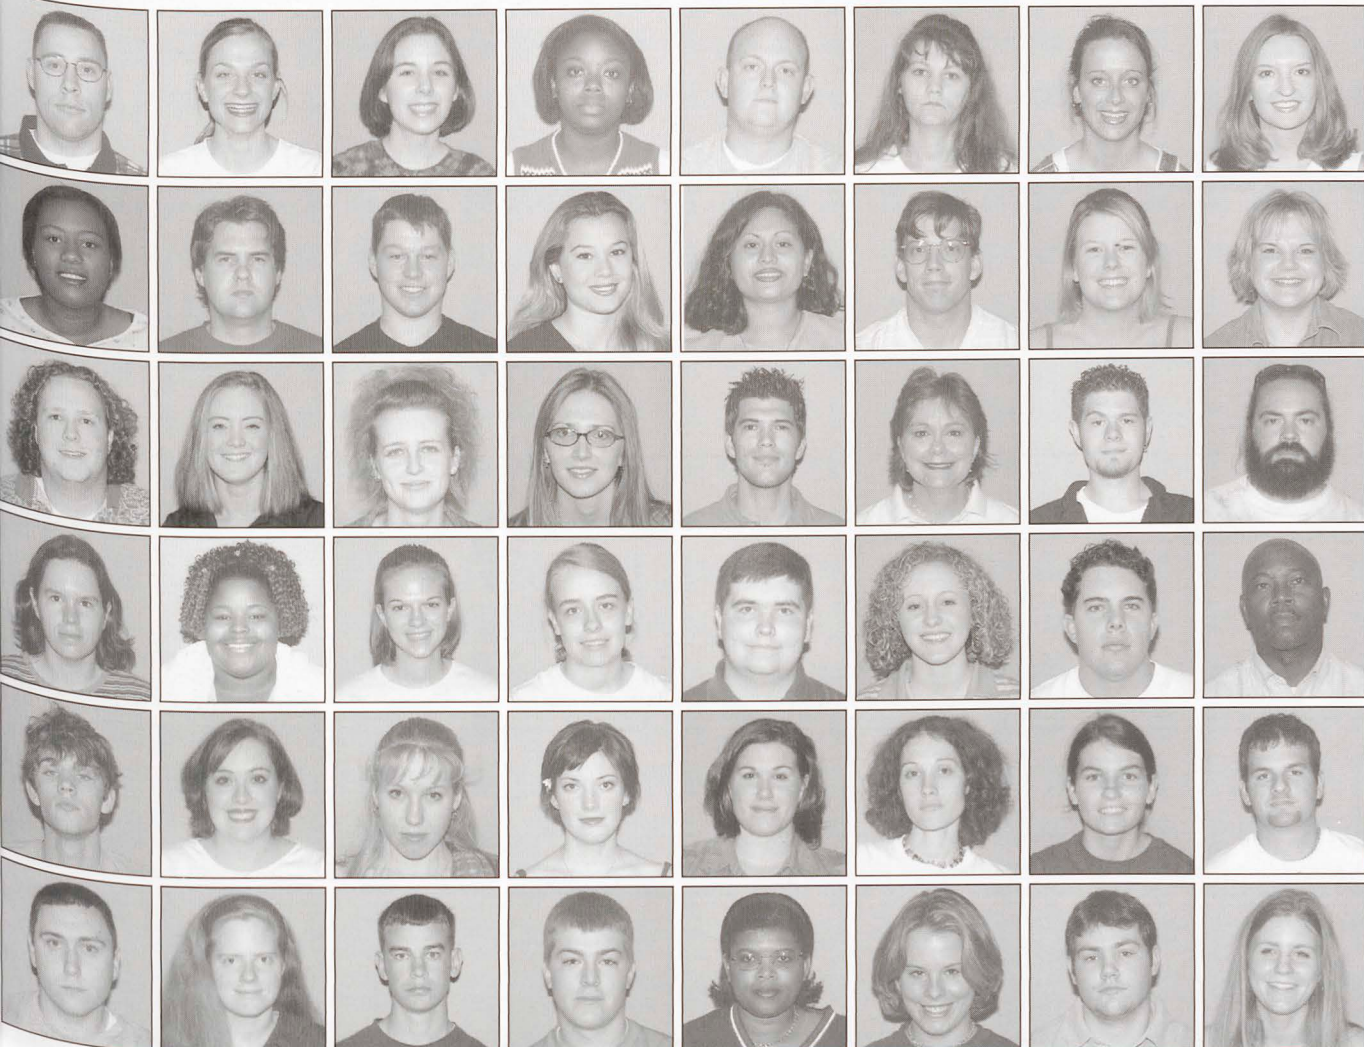

Amber Elbert was born February 7, 1980 to James and Robin Elbert and grew up in Horsehoe Bend, Arkansas. She graduated in May 2002 from the Fulbright College of Arts and Sciences with a degree in Psychology.

Amber plans on moving to Washington D.C. to seek employment on Capitol Hill. She would like to become a staff member to a member of Congress. After gaining experience there, Amber plans on attending Law School.

While on campus, Amber participated in the U of A Greek Life Panel and the campaigns of various local candidates for political offices including: Jo Carson, Mark Pryor, Blanche L. Lincoln and Mike Hathorn.

From her experiences here, Amber has learned the importance of being an effective leader and that a leader must lead by example and does not exclude anyone.

"Attending the University of Arkasas was the best decision I have ever made. I have made some of the best friends of my life here."

Connie Evans was born September 22, 1980 to Don and Margaret Evans and is from Rogers. She will graduate from the College of Engineering in December 2003 with a degree in Industrial Engineering. Her ambition for the future is to move to a bigger city such as Atlanta or Charlotte and perhaps get an MBA. She would eventually like to be in management as an IE and have a family.

During her years on campus, Connie has been involved in the Relay for Life, Habitat for Humanity, and has participated in various drives for the Ronald McDonald House and drives sponsored by Gamma Beta Phi.

From this University, Connie says she has gained skills in leadership, communication, time management and organization and that she has developed speaking skills and a cultural awareness for those around her.

"Attending college has given me motivation and inspiration to go far in life."

Courtney Floyd was born October 22, 1979 to Elmer and Sharon Floyd and is from West Memphis, Arkansas. She graduated from the Fulbright College of Arts and Sciences in May 2002 with a degree in Biology. Her plans for the future are to attend medical school and to become a pediatrician in the state of Arkansas. She also wants to continue to support the U of A.

While on campus, Courtney was involved with Alpha Delta Pi, the Arkansas Athletic Booster Club, the Student Alumni Board and Golden Key. She also participated in the Bowl for Kids' Sake, the Students' Day of Caring and the Kids' Day of Fun.

From her experiences on Campus, Courtney says she has developed leadership skills that

she never imagined possessing due to opportunities in numerous organizations to become a leader and a role model for others.

"I have made many incredible friendships here. I will never forget my ties to the U of A and Arkansas."

COURTNEY

CAROLINE

A. Caroline Hardin was born August 31, 1979 to Jim and Jammie Hardin. Her hometown is Newport Arkansas. She graduated from the College of Education and Health Professions with a degree in Kinesiology and Exercise Science.

Her ambition for the future is to be a physician's assistant and to specialize in orthopedics. Once she has established a career, she would like to work at a free clinic for the community.

While on campus, Caroline was involved in the Thanksgiving Food Drive, the Carlson Terrace Halloween Carnival, Easer in the Park, and was an Athletic Trainer for both the football and tennis teams.

From her experiences on campus, Caroline has learned that it is very important to truly find out who you are and what you value and it is important to have an open mind concerning new people and new ideas.

HARDIN

"Attending this University has allowed me to be exposed to many different cultures, as well as different people in general."

ANGELA HARRIS

Angela Harris was born July 19, 1979 to Joseph and Bernice Harris and grew up in Jacksonville. She graduated from the Walton College of Business in May 2002 with a degree in Accounting.

Her short term goal is to obtain a Masters degree in Business Administration. For the long-term, she would like to be a financial consultant or analyst, to become an CPA, and then possibly own her own accounting firm one day.

While on campus Angela was a Resident Assistant, was involved in Race for the Cure and Adopt-a-Highway. She also received the Multicultural Achievement Award.

From her experiences on campus, Angel has learned that as long as she works hard and believes in herself, she has no limitations and will be successful.

"The University has given me the opportunity to meet new people and begin networking."

Megan Henry was born December 5, 1979 to Troy and Anne Lynn Henry. She is from Jonesboro, Arkansas. She graduated from the College of Business in May 2002 with a degree in General Business.

Afer graduation, Megan plans to attend law school in Fayetteville. After that, she would like to work for an organization, such as the Federal Bureau of Investigation, then start a firm of her own.

While on campus, Megan was involved in Mortar Board, ASG, and the Pi Beta Phi Sorority. She also participated in the Wilson Park Cleanup and Race for the Cure. She was a Chancellor's Scholar and was a member of the 2001 Homecoming Court.

From her experiences on campus Megan has learned to become a leader and how to handle different responsibilities to the best of her abilities. She has also learned to work well with different groups of people and to try to accommodate those differences.

"The University has allowed me to broaden my horizons and to develop into a mature and ambitious woman."

Jeanie Jackson was born May 10, 1978 to Richard and Christy Jackson and is from Dallas Texas. She graduated from the Fulbright College of Arts and Sciences in December 2001 with a degree in Journalism.

After graduation, Jeanie would like to get a teaching license so she can become an Elementary School teacher. After a few years of teaching she wants to earn a Masters in counseling for children.

While she was on campus, Jeanie worked with the Race for the Cure and the March of Dimes. She held office in Chi Omega and was a member of Golden Key.

From her experiences on campus, Jeanie has learned that the world is run by people and their ideas, not business. She will always remember to treat people with kindness and respect.

"Attending the U of A has given me many things: knowledge, friendships, and life experiences."

JEANIE

CAMERON MCCREE

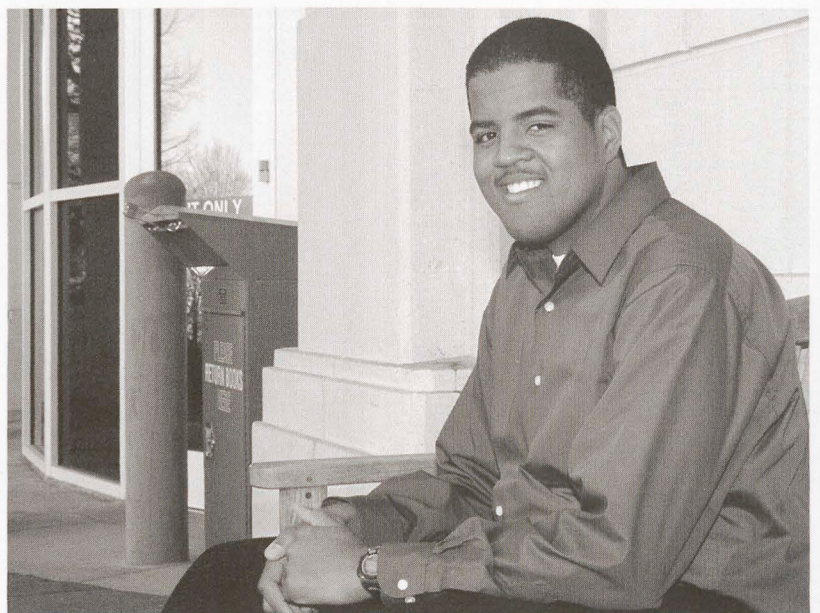

Cameron McCree was born June 11, 1980 to Maurice and Judi McCree and is from Camden, Arkansas. He graduated from the Fulbright college of Arts and Sciences with a degree in Economics.

After working a job for three to five years, Cameron would like to go to law school.

While on campus, Cameron was involved with the Black Students Association, the All Student Judicial Board, Alpha Phi Alpha, and ASG. He was on the Chancellor's List and a member of the NAACP.

From his experiences with student government, Cameron feels that he has learned how to be a professional, how to work with a team, and how to handle success and failure.

"My experience at the U of A has had a profound affect on my life."

Bruce Nicometo is 52 years old and is a Creative Writing major originally from upstate New York. He moved to the area with his wife and son in October 1993. He began his college career as an accounting major, but realized he was not happy in that field. During his freshman composition classes, he realized his desire to write.

While working on his degree, Bruce began to have trouble with his kidneys and was forced to take a break from working due to dialysis complications, but was able to finish out the semester.

In 1999, Bruce was told that he was third in line for a kidney transplant and was told to go to Little Rock, upon arrival, he learned he was now first in line and the kidney was his.

Now settling back in to live, adjusting to new medications and trying to stay healthy, Bruce names the transplant and the receipt of his degree in English with a Creative Writing emphasis as the monumental events in this decade.

"Two excellent teaching assistants, Laura Gray and Steven Turlock . . . with their energy and enthusiasm began my desire to write."

Stephen Parker was born April 25, 1980 to Gary and Suzette Elmore and is from Lonoke Arkansas. He graduated from the College of Engineering in May 2002 with a degree in Chemical Engineering.

Stephen plans to attend the University of Texas School of Law in Austin to obtain a J.D. with an emphasis in Intellectual Property Law. He ultimately plans to be a Patent Attorney in the Chemical Engineering Industry.

While on campus Stephen participated in the Kappa Sigma Fraternity, ASG, and the All University Judicial Board. He is a recipient of the Chancellor's and J.O. Bennett Scholarships and was a member of Golden Key.

From his experiences on campus, Stephen has learned to give back to the community because of the many opportunities that have been presented to him here.

"From this University I have learned that there's more to life than work and money."

MACADDA PEOPLES

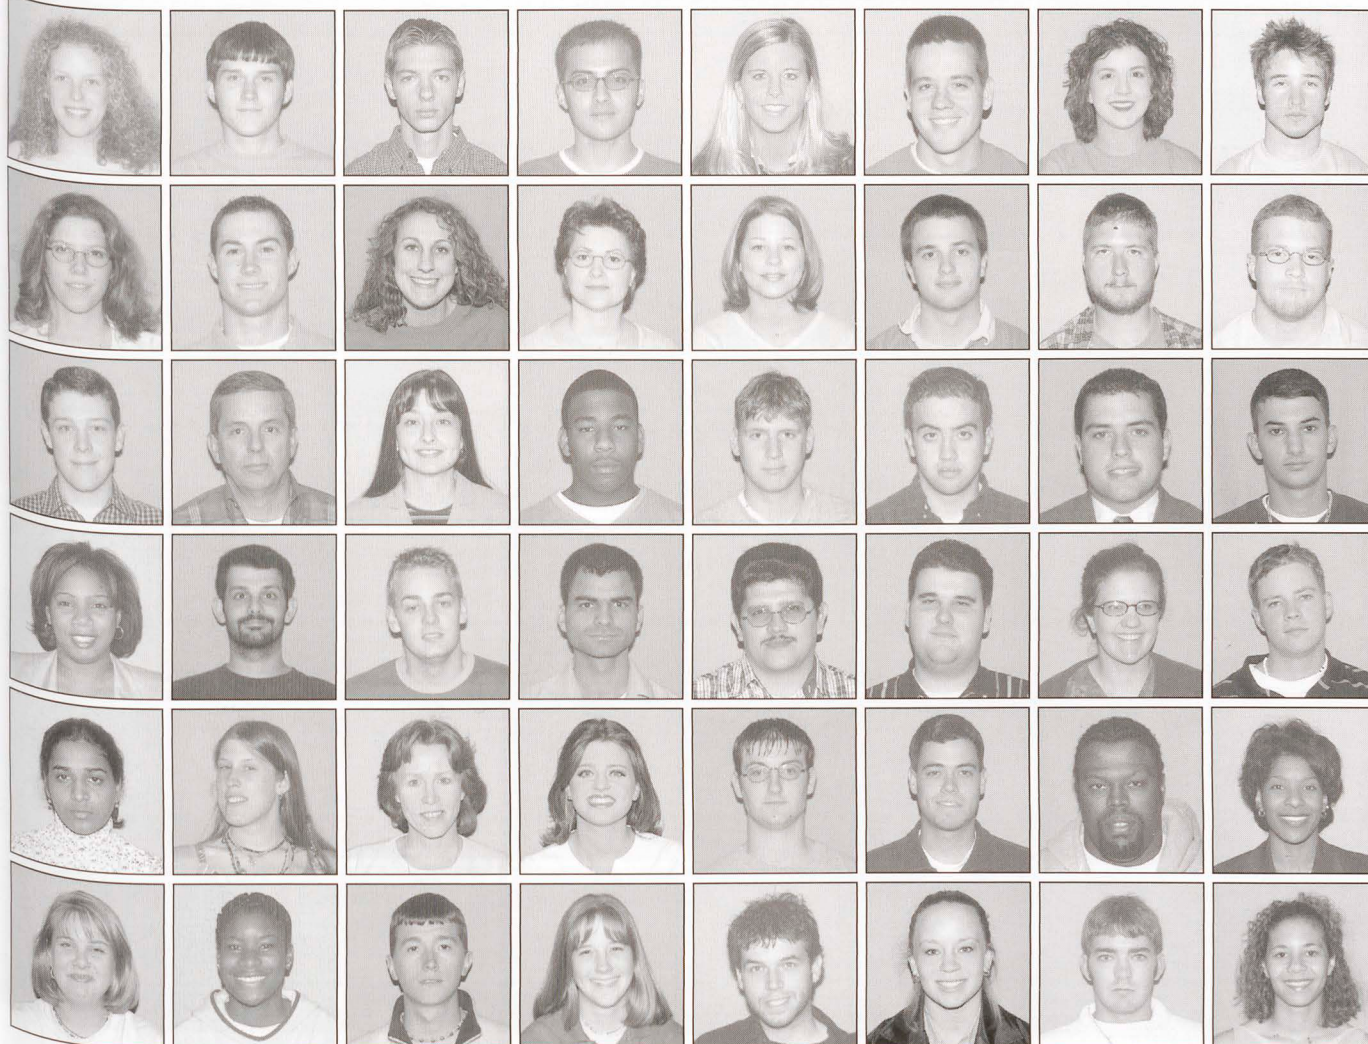

Macadda Peoples was born July 24, 1980 to Mack and Linda Peoples. She is from Little Rock and graduated from the Fulbright College of Arts and Sciences with a degree in Journalism in May 2002.

Macadda plans to go to Graduate School to earn a M.B.A. In the future she hopes to do corporate non-profit public relations or event planning.

While on campus Macadda was involved with Delta Sigma Theta and Residents Interhall Congress. She was a Sturgis Fellow and a National Achievement Finalist and a member of Golden Key.

From her experiences on campus, Macadda says she has learned leadership skills, listening skills and patience through working with a variety of people.

"Attending the U of A has given me a level of confidence that I would not have gained elsewhere."

Renee Polk was born July 15, 1980 to Frank and Lisa Polk and is from Marvell, Arkansas. She graduated from the College of Business in May 2001 with a degree in Marketing.

Her ambition for the future is to live in Little Rock and to be the head of the marketing department of a bank.

While on campus, Renee was involved with Pi Beta Pi and Mortar Board. She appeared on the Dean's List numerous times and was a member of Golden Key.

From her experiences with organizations on campus, Renee has learned that it takes leadership, responsibility and determination to get things accomplished. And that no one will succeed without the power of the whole team behind them.

RENEE
POLK

"The U of A has taught me to respect other's cultures and beliefs and has helped me to grow in my own beliefs and values."

"The University of Arkansas has been more an experience than a place to go to school."

MICHAEL

Michael Reynolds was born February 10, 1980. He is from Little Rock and graduated from the College of Business in May 2002 with a degree in finance.

For short term plans, Michael would like to find a job in investment banking. Then he'd like to be CEO or run his own business.

While on campus, Michael was involved with Phi Delta Theta, the Order of Omega, and the Interfraternity Council. He was a Chancellor's Scholar and was on the Chancellor's and Dean's list numerous times.

From his experiences on campus, Michael has learned that respecting each and every person that you come across will be beneficial for you in the long run.

Regina Thompson was born January 12, 1980 to Doris and Curtis Thompson and is from Oklahoma City, Oklahoma. She graduated from the Fulbright College of Arts and Sciences in December 2002 with a degree in Chemistry.

Regina plans to enter the Higher Education Administration Program. After receiving a Master's, her dream job would be to work on a college campus either in Greek Life or with a campus activities board.

While on campus, Regina was involved with University Programs, Emerging Leaders and Alpha Kappa Alpha. She was a Noyce Chemistry Scholar and the recipient of both the National Society of Black Engineers Scholarship and the University of Arkansas Minority Scholarship.

From her experiences on campus, Regina has learned to communicate with different people and to work through problems that may arise.

"The UA, to me, is a special home away from home. Being a student here, I have become a more rounded person."

REGINA

THOMPSON

Jeff Smith was born November 6, 1979 to Derrill and Lydia Smith and is from El Dorado Arkansas. He graduated from the Fulbright College of Arts and Sciences in May 2002 with a degree in Journalism.

Jeff plans to attend graduate school to obtain a master's of journalism degree and then begin the long road to becoming editor of a community newspaper. One day he also hopes to teach journalism at a high school or college.

While on campus, Jeff was involved with *The Arkansas Traveler*, the Society of Professional Journalists and the Student Media Board. Jeff was also a Chancellor's scholarship recipient.

From his experiences on campus, Jeff says that he has learned to be grounded, to be a better listener and not to be so demanding.

"I will leave the UA knowing that the world is full of opportunities and my dreams are easily at reach."

ERIN

Erin Walker was born August 19, 1980 to Danny and Martha Walker and is from Springdale. She graduated from the Walton College of Business in May 2002 with a degree in Accounting and International Relations.

Erin plans to attend law school and pursue a joint degree in law and public policy. Then she would like to establish a career in the field of governmental lobbying, working in Washington, D.C.

While on campus, Erin was involved in ASG, the Student's Day of Caring, and was a Student Ambassador for the Walton College. She was a National Merit Finalist and a Bodenhamer Fellowship recipient.

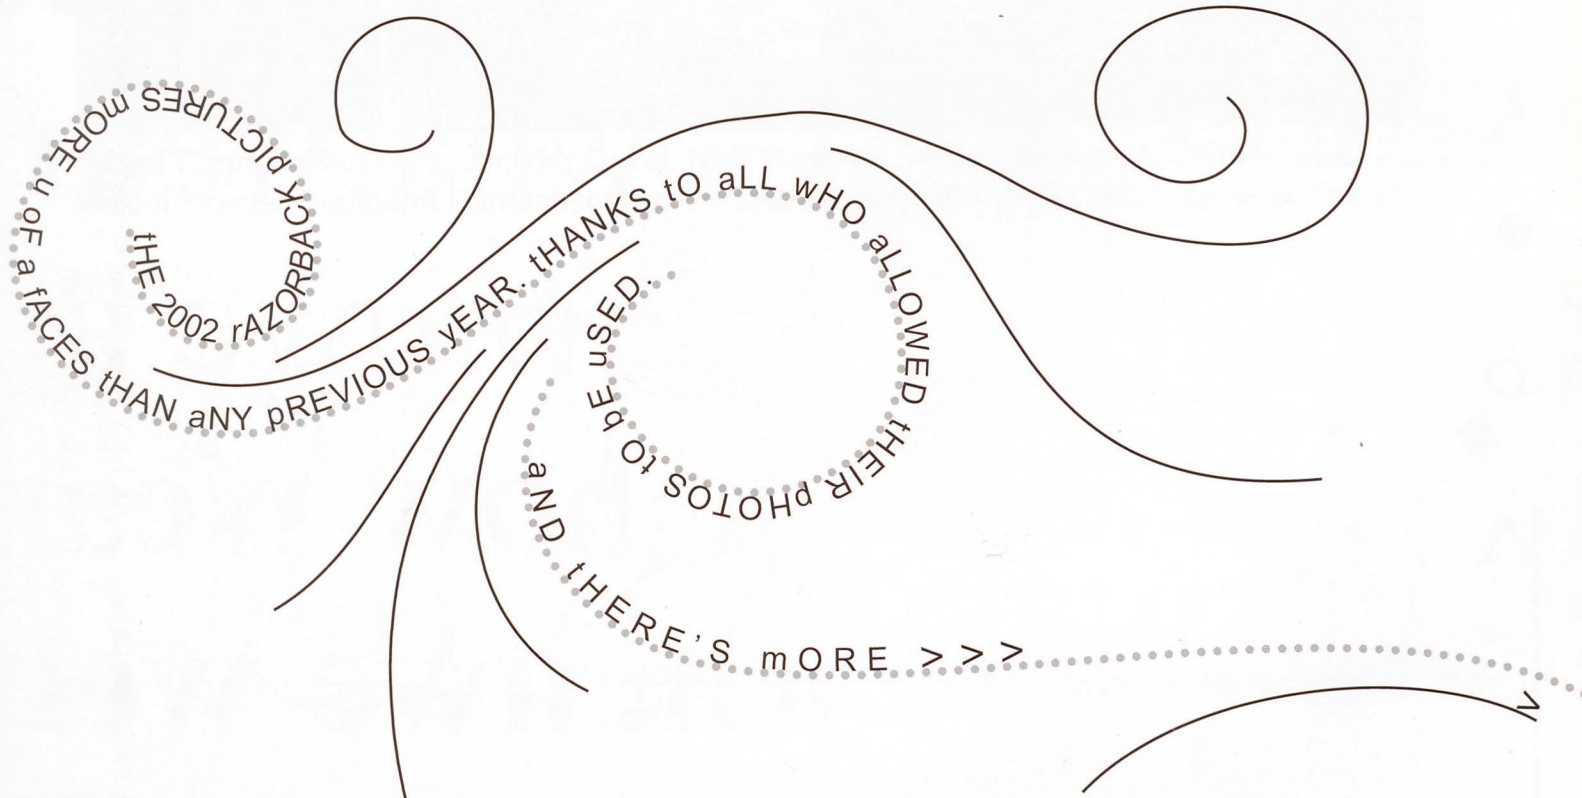

From her experiences on campus, Erin says that she has learned to become more aware of the importance of social responsibility and has gained the ability to use her strengths to improve upon her weaknesses.

RAZORBACK

"Through my various leadership positions, I have learned how to multi-task, delegate responsibilities, and the importance of networking. I have also learned when and how to say no, when to ask for help and when to follow another."

Cliff is a senior Communications major and Political Science minor from Gillett, Arkansas. He was the first person from his high school to attend the University in ten years. Since then, he has been a part of recruiting more Gillett seniors to the U of A.

Cliff became involved in the University with Humphreys Hall Senate, National Residence Hall Honorary, Residents' Interhall Congress, Student Ambassadors,

Student Alumni Board, Arkansas Baptist Collegiate Ministry, Alpha Phi Omega and Gamma Beta Phi. He has a strong interest in leadership development and is an active conference and program organizer for various groups. He has served as Head Junior Counselor for the Hugh O'Brian Youth Leadership Conference and project leader for Make a Difference Day and Students' Day of Caring.

Cliff's academic honors include Student Alumni Board Outstanding First Year Member, Who's Who Among Students in American Universities and Colleges, National Collegiate Communication Arts Award, Chancellor's and Governor's Scholarships, Alpha Phi Omega Outstanding Pledge, Dean's List and Chancellor's List.

Cliff has worked as an intern for Congressman Marion Berry and as a lifeguard in Gillett. He says the University of Arkansas helped him become more independent and mature while teaching him to be more goal-oriented, have time management skills, and appreciate people of different cultures.

After graduation, Cliff plans to attend graduate school. While unsure about his career plans, he is interested in working in politics, public relations or for an organizational consulting firm.

CLIFF
HAYNES

PICTURE IT

PAIGE MACKKEY

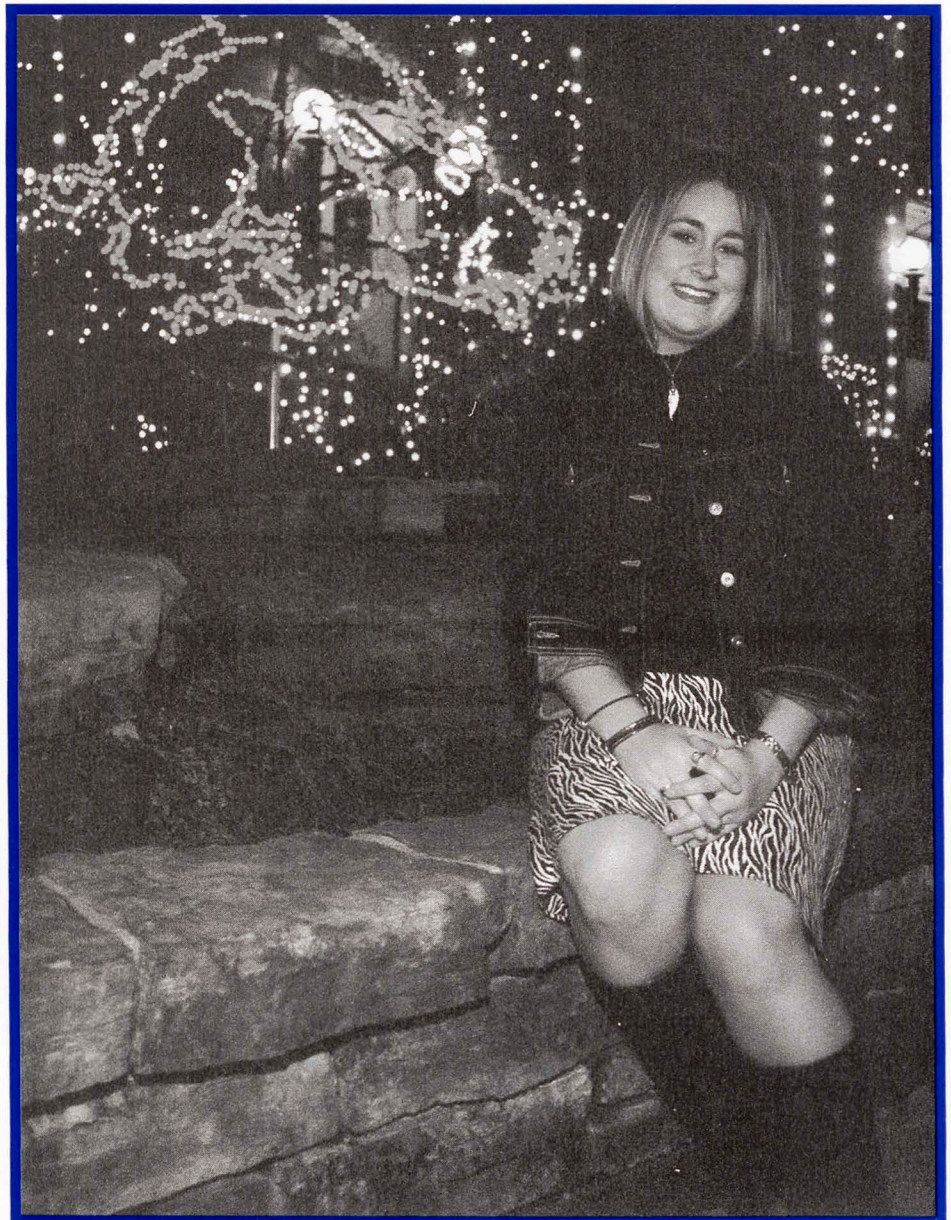

"I have learned to step out of my box. In high school I stuck with things I knew I could succeed at. Here I stepped out of my comfort zone and learned that sometimes failures aren't really failures but things that make us stronger."

Paige is a senior Microbiology major from Plano, Texas. Her mother, who is from Arkansas, taught her how to call the Hogs at the age of two. She fell in love with the University upon her very first campus visit.

Paige became involved in ASG and has served as the RSO Fund Chair. She has also been involved in Alpha Phi Omega service fraternity, Gamma Beta Phi, Make a Difference Day, Golden Key Honor Society, Alpha Epsilon Delta, Emerging Leaders and the HPER advisory committee. She has been honored for "most service hours" by both Alpha Phi Omega and Gamma Beta Phi. She is also included in Who's Who Among Students in American Universities and Colleges.

Much of Paige's community involvement was through Alpha Phi Omega. She has served as co-chair for Make a Difference Day and Students' Day of Caring Project Leader among other various community projects. In her spare time, she enjoys working out, swimming, dancing and relaxing.

After graduation, Paige plans on attending graduate school. She hopes to obtain a Ph.D. in either immunology or virology. With her Ph.D., Paige hopes to go into HIV and AIDS research.

JENNIFER DAVID

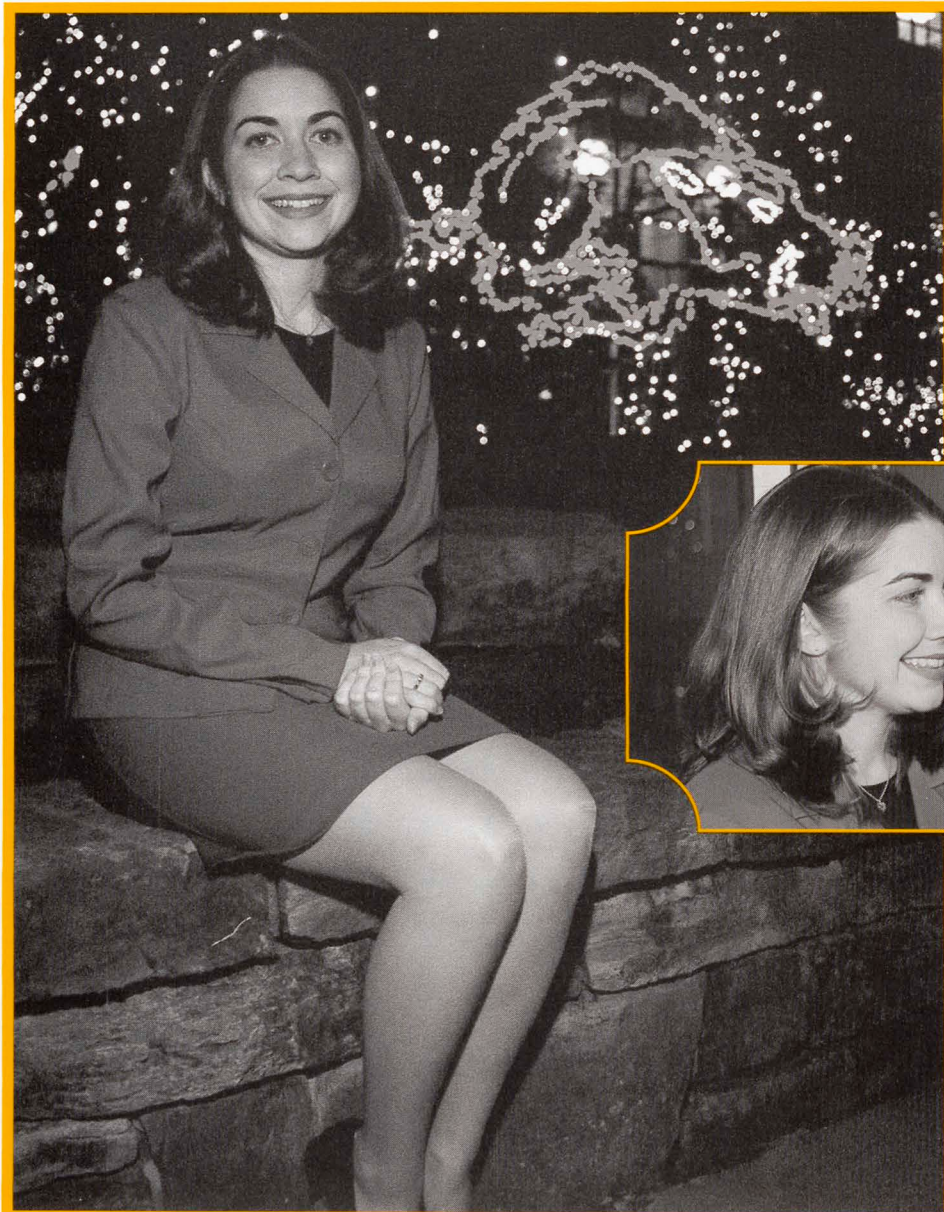

"By coming to the University of Arkansas, I feel I have learned to stand on my own. I have also learned to value family and friends no matter how close or far away they may be."

Jennifer is a senior Elementary Education major from Friendswood, Texas. When she first received letters from the U of A in high school, she had never heard of Fayetteville. Since then, Jennifer has become a huge Hog fan. She has done recruiting through Diamond Dolls, College of Education and Health Professions Student Ambassadors and the Hometown Hogs program. She says living so far from home helped her try new things and work to meet as many people as possible.

She has been involved in university activities through Campus Girl Scouts, Kappa Delta Sorority, S.M.A.R.T. recruiting team, Kappa Delta Pi, Gamma Beta Phi and administrative assistant on the Executive Board for Up 'Til Dawn. Her academic honors include being named in Who's Who Among Students in American Universities and Colleges, Chancellor's Scholar, Academic Honor Roll and College of Education and Health Professions Presidential Scholar.

Jennifer became involved in her local community through projects such as Make a Difference Day, Girl Scouts, mentoring at Bates Elementary School, SOAR Junior, Race for the Cure and Catholic Campus Ministry. In her spare time, she enjoys volunteering, camping, reading, babysitting, water aerobics, scrap-booking and making soap.

Jennifer says that she decided on her very first day of second grade that she wanted to be a teacher. She plans on staying at the U of A to get her masters degree. After teaching for a while, she hopes to get a doctorate degree and to work in children's literacy.

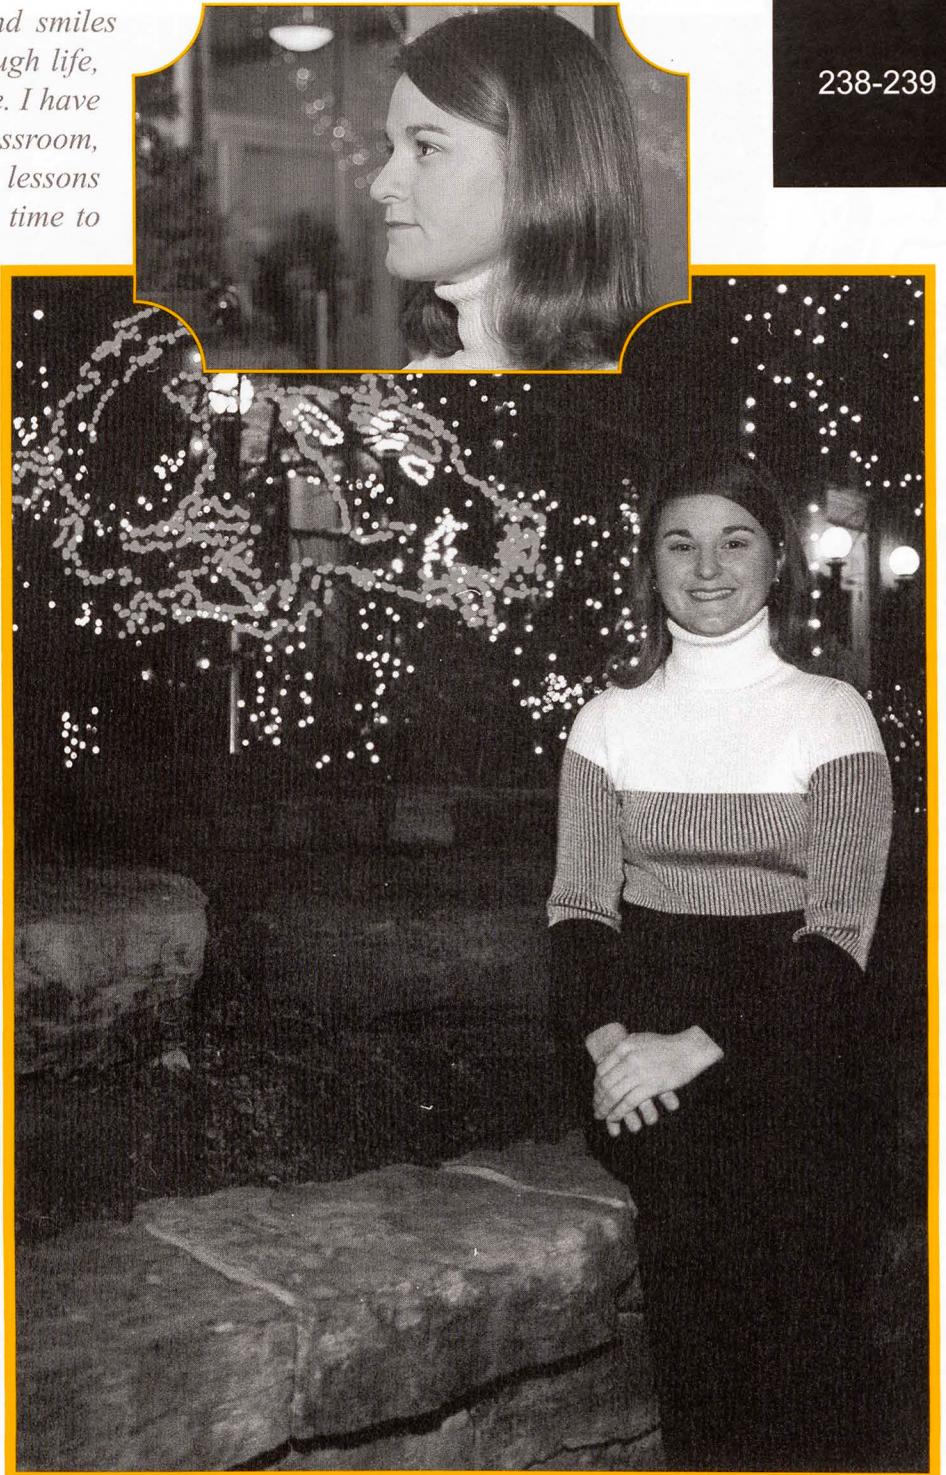

"I have learned that friendships and smiles are the things that will get you through life, not a perfect GPA or flawless resume. I have gained valuable knowledge in the classroom, but I have learned the valuable life lessons from those around me who take the time to truly invest in my life. If I can remember that a simple smile or being a friend can impact one's life for the better, then I think I will be successful in whatever I do."

Melodi is a senior Therapeutic Recreation major from Fort Gibson, Oklahoma. She became involved in the University through Gamma Beta Phi, Alpha Delta Pi, Razorback Marching Band, Baptist Collegiate Ministries, Big Brothers Big Sisters, Golden Key Honor Society, National Society of Collegiate Scholars and Order of Omega. Her academic honors include Chancellor's Honor Roll for Fulbright College of Arts and Sciences, Dean's Honor Roll for the College of Health Professions, Panhellenic Scholarship and Arkansas Governor's Volunteer Service Award.

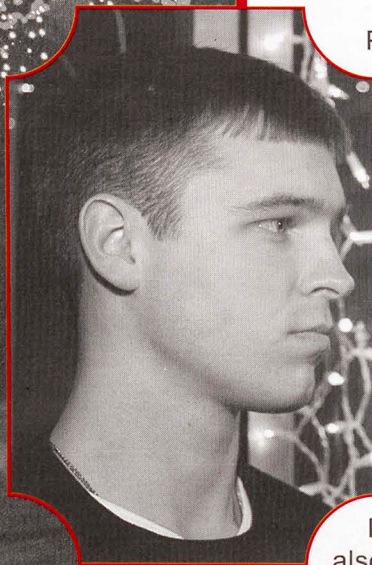

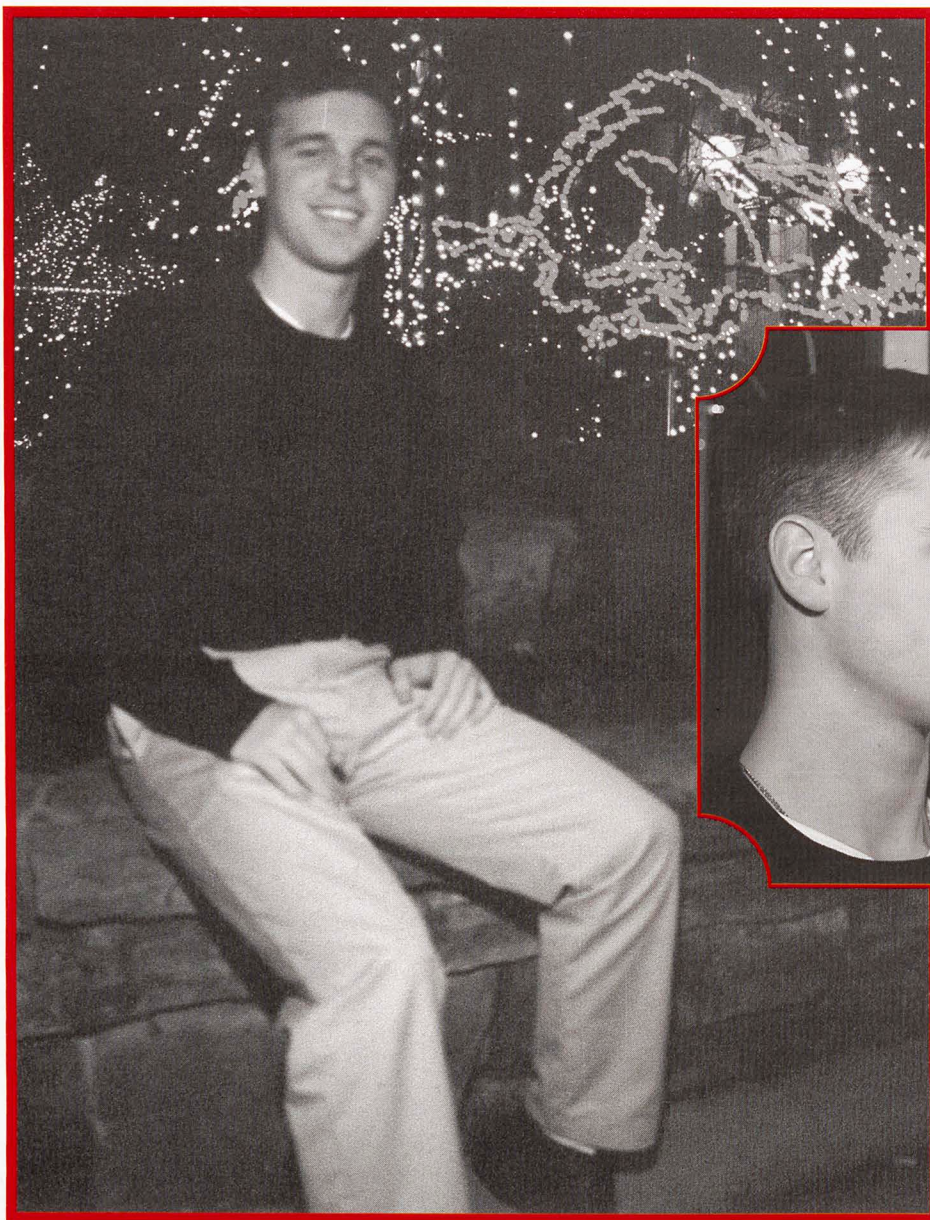

Melodi serves her community through volunteering her time as a tutor and lunch buddy at Jefferson Elementary School, art teacher at the Boys and Girls Club and Big Sister Mentor of Northwest Arkansas. She has also served as a volunteer for Parent's Night Out, M.A.D.D. Fall Festival, and Bowl for Kids Sake. In her spare time, she enjoys playing and/or watching sports, reading and horseback riding.

Melodi's future ambition is to be able to see the smiling face of a child after he or she has completed a difficult aspect of treatment. She chose her profession for her love of working with children and hopes to help children succeed in life. Her goal is to work with disabled children and to be a positive role model for them.

**M E L O D I
M O Y D E L L**

RAZORBACK

"I can say without a doubt that my work in the community has been every bit as educational to me as my work in the classroom. Service to others, particularly those less fortunate, is nothing less than a life-altering experience. It has adjusted my entire perspective of my life and all life in general."

Jared is a senior Physics/Computer Science double major and Mathematics minor from Springdale, Arkansas. Upon graduation from high school, he attended the United States Naval Academy. After sustaining an injury and receiving an honorable discharge, Jared enrolled at the University of Arkansas.

During his time at the U of A, Jared has had many opportunities to develop leadership skills. In 1999, he became the founding president of the Pi Kappa Alpha Fraternity. He has also served as Campus Co-Chairman for Make a Difference Day, Students' Day of Caring, University Student Ambassador, Vice President of the Order of Omega and a mentor for Emerging leaders. Jared was also one of only sixteen students in the nation selected to attend NASA's most prestigious internship program, the NASA Academy. His other academic honors include NASA Academy Soffen Leadership Award, University of

Arkansas Outstanding Greek Man, Order of Omega Outstanding Senior, Arkansas Space Grant Consortium Research Stipend, Physics Department Maurer Fellowship, Most Outstanding Fraternity President Award, Who's Who Among Students in American Universities and Colleges, Chancellor's and Dean's lists and Physics Departmental Honors.

Since April of 1999, Jared has served over 250 hours for various community organizations including Habitat for Humanity, the Leukemia and Lymphoma Society of America and Big Brothers of America. As a leader in Pi Kappa Alpha, he organized and coordinated over six thousand man-hours in just over 2 years. In his spare time, Jared enjoys reading, running and TaeKwonDo.

Jared loves working with people and in the space program. He hopes to have a career involving both. He is currently applying to law school and several public policy graduate programs. He wants to study public service law and policy issues that affect everyday people, particularly science and technology issues.

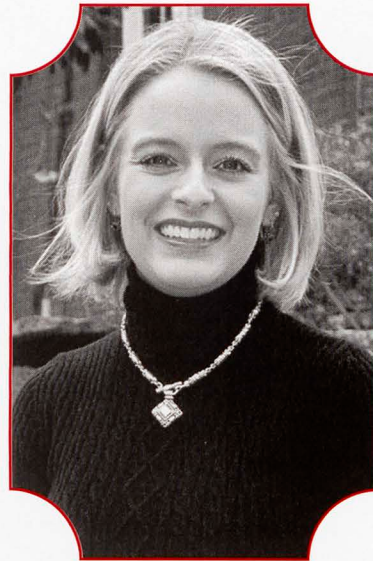

JARED HENDERSON

PICTURE IT

SOMMER STEIFFER

"Always being fair and treating everyone with respect will get you much farther in life than your GPA ever will. School is important but it's the relationships you make and the fun times you share that you will cherish for the rest of your life."

Sommer is a senior Journalism major specializing in Advertising/Public Relations. She is from Texarkana, Texas. She is the first person in her immediate family to attend and finish college. She is involved with Kappa Kappa Gamma, Student Ambassadors, P.R.S.S.A, Student Alumni Board, Razorback Belles, Arkansas Booster Club, Cardinal XXX, Gamma Beta Phi, Order of Omega, Mortar Board Honor Society, Razorbacks for Christ and Golden Key National Honor Society. Her academic honors include 2001 U of A Advertising Student of the Year, Wanda Belzung Advertising Executive of the Future Award, Chancellor's Scholarship, Girl Scout Leadership Scholarship, Sam Walton Community Scholarship, Chancellor's List, the National Dean's List, Kappa Kappa Gamma Scholastic Achievement Award and Panhellenic Council Outstanding Academic Achievement Award.

She became involved in her community through Mile Clean-Up, Trick-or-Treat with the Greeks, Christmas Angel Trees, Race for the Cure, Head Start School Supply Round Up, Project for Victims of Family Violence, Holiday Sharing Program, Arkansas Children's Hospital Phone-a-thon, Halloween Carnival Toy Drive, Thanksgiving Canned Food Drive, Bates Elementary Project, nursing home visitations, Veteran's Hospital holiday cards, and magazine sales for the Rose McGill Fund. In her spare time, she enjoys travel, swimming, hiking, camping, reading, and watching movies.

After graduation, Sommer plans to move to Austin, Texas with her husband where she will work full time in account service. After working for three years, she plans to apply for the MBA program at the University of Texas.

RAZORBACK

SUSAN CANNON

"Through being involved in activities and organizations outside the classroom, I have learned and acquired the necessary communication and leadership skills that will assist me in succeeding in life."

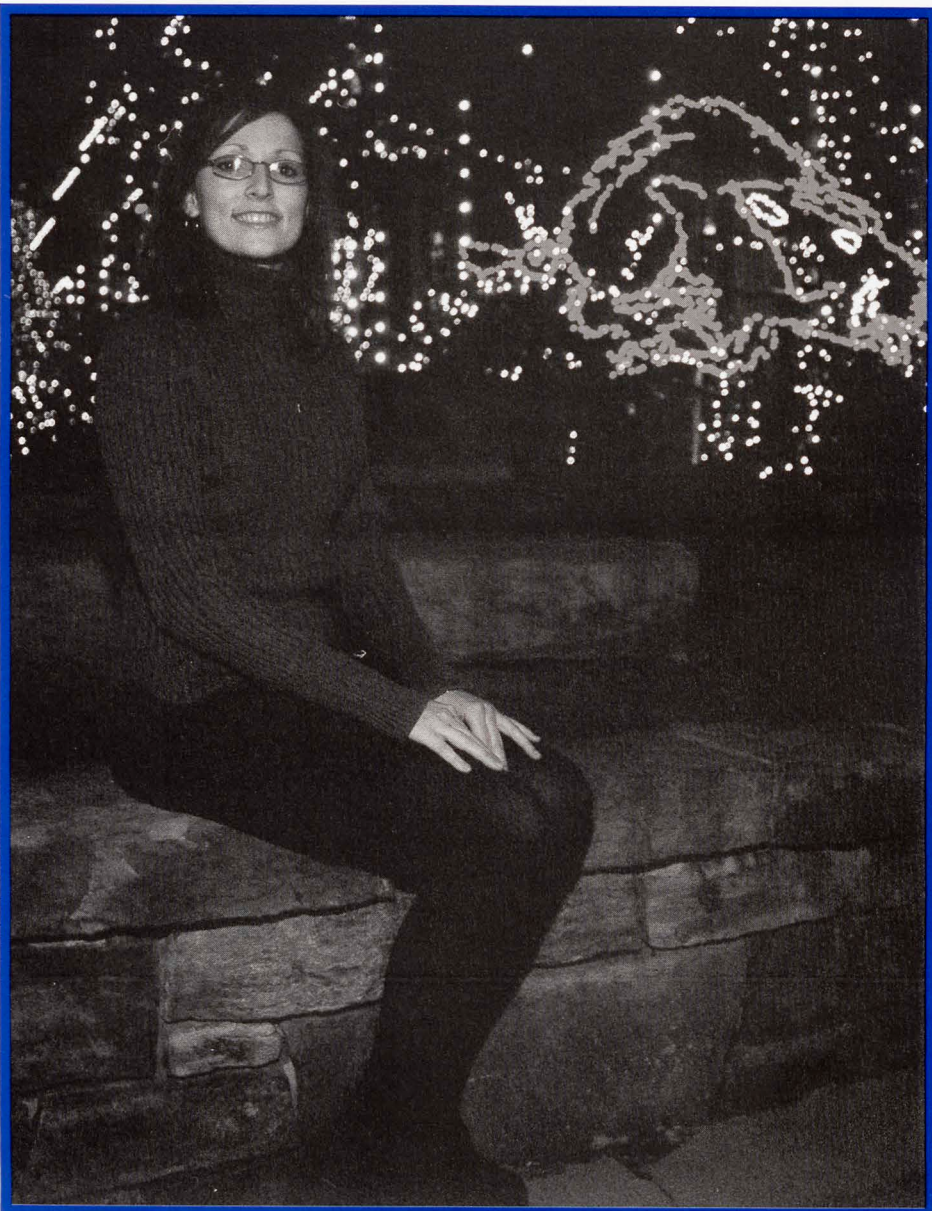

Susan is a senior Agricultural Education major and Communications minor from Ashdown, Arkansas. She was an only child who grew up on a farm. Identifying with her family's love for animals, Susan began to show livestock at the age of twelve and continued to be actively involved throughout adolescence. After transferring to the University of Arkansas, she has had the opportunity to travel around the country with the Collegiate Livestock Judging Team.

Susan has been honored with Romeo E. Short, Laura J. Yeater, Joseph E. Fleming, Glen W. Hardy and AGHE John I. Coley Scholarships. She has also been published in *Discovery*, the Bumpers College undergraduate journal. She has served as the Agricultural

Communicators of Tomorrow treasurer and the Alpha Zeta Agricultural Honorary Society vice president in addition to memberships in Gamma Sigma Delta, University Programs, Alpha Tau Alpha and the National Agricultural Education Organization. She has also represented the U of A as a Bumpers College Student Ambassador and as Education Department Representative for Agriculture and Education.

Her community involvement includes Roadside Clean-up, Community Blood Drives, and serving as a volunteer on the Mike Hathorn campaign. After graduating in May, Susan plans to attend graduate school and hopes to obtain a position in relation to agricultural public policy. In her spare time, Susan enjoys attending

ballets, snow skiing, and travel.

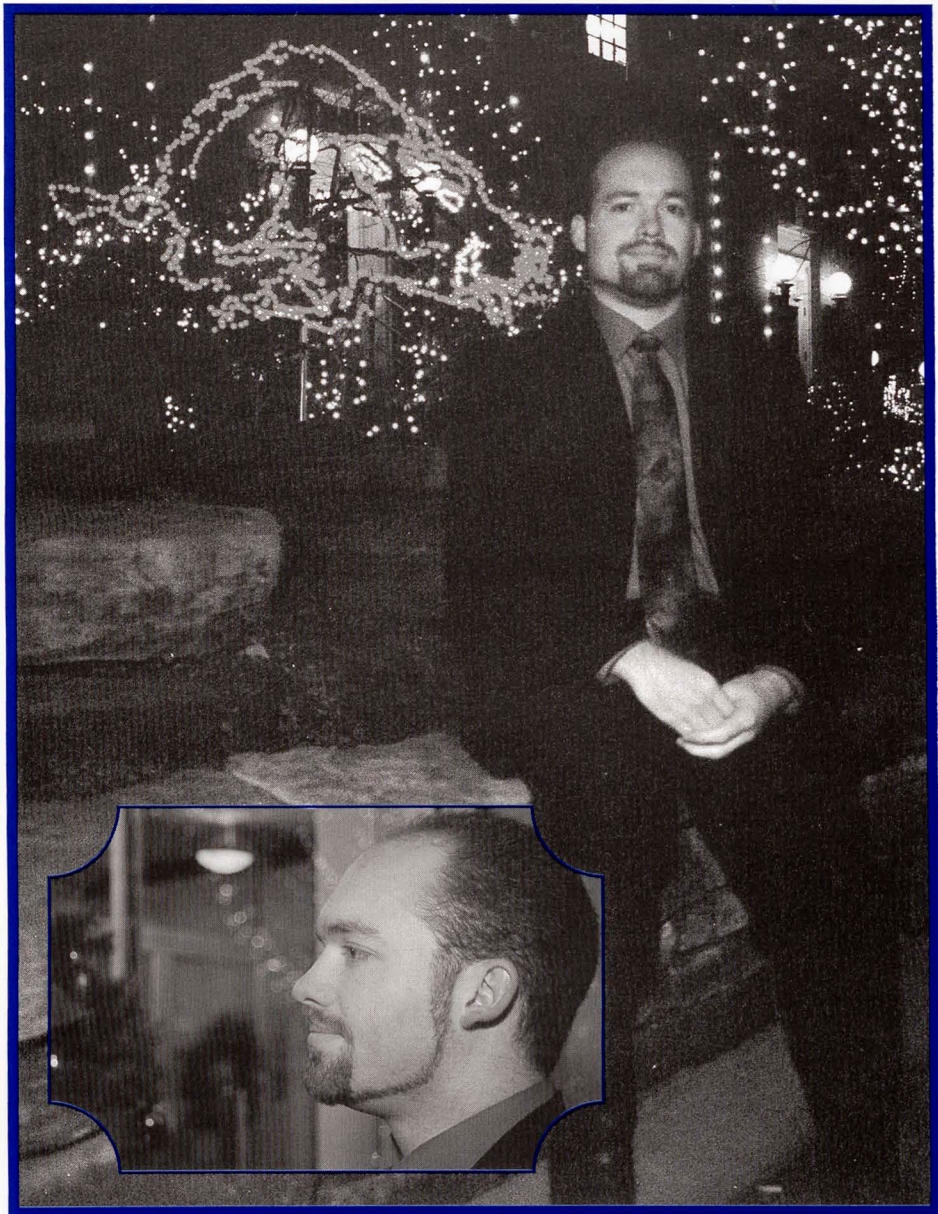

"I have learned many things outside the classroom. I think the most important one, though, is that one person can make a difference. Through my work with many service projects and interaction with other people that work very hard to make things better, I have seen things progress well. Nothing gives greater satisfaction than looking back at what a person has helped to accomplish and seeing the improvements made. Whether it be listening to a friend's problems or doing a service project, the actions of the individual will have some kind of impact."

Nick is a senior Electrical and Computer Engineering double major and Mathematics minor from Wichita, Kansas. He became involved in the University

through the Institute of Electrical and Electronics Engineers, Theta Tau Professional Engineering Fraternity, Eta Kappa Nu Electrical Engineering Honor Society, University Programs, Hall Senate, Tau Beta Pi Engineering Honor Society, Golden Key National Honor Society, Gamma Beta Phi Honor and Service Society, Society of Automotive Engineering, Lutheran Student Fellowship, Mortar Board Honor Society and Big Brothers Big Sisters. His academic honors include the Chancellor's Scholarship, Papa John's Pizza Scholarship, Independent Order of Foresters Scholarships, National AMVETS Scholarship, General John A. Wickham Scholarship, Ford Motor Company/Golden Key Undergraduate Scholarship, College of Engineering Presidential Scholarship, Gamma Beta Phi Service Award and Who's Who Among Students in American Universities and Colleges.

To be more involved in the local community, Nick is involved in Student's Day of Caring, Make a Difference Day, Habitat for Humanity, Adopt-a-Highway, Bowl for Kid's Sake and various donation drives. He also tutors his fellow students whenever he can. In his spare time, he enjoys sports and stippling.

For the future, Nick hopes to find a good job and settle down. His overall goal is to use what he has learned to make some kind of impact. He says that no matter what he does in the future, he wants to do it well and make a difference in the lives of as many people as possible.

NICK
WESTFALL
RAZORBACK

"My experience with the alternative spring break trips have taught me to be a better and more considerate person. I also have a little sister (through Big Brothers Big Sisters) and spending time with her has made me realize that a little bit of love and affection can go a long way in helping a little child build self-confidence and happiness. I have also realized, through my organizational work, that there is no task that is impossible. All it requires is dedication and determination to make a dream come true."

Vandana is a senior Computer Engineering major and Mathematics minor from Muscat, Oman. To her, the U of A represents "opportunities." She has made use of every chance she got to better her communication, team and personal skills. Since arriving at the University, Vandana has been involved in International Students Organization, Friends of India, Phi Sigma Rho, Gamma Beta Phi, Golden Key Honor Society, Big Brothers Big Sisters, Cross Cultural Mentors, Orientation Leaders, Chi Alpha, International Student Ambassadors and University Ambassadors. Her academic honors include Who's Who Among Students in American Universities and Colleges, Cross Cultural Mentor Service Award, Chancellor's List, Dean's List, Chancellor's Scholarship, and Presidential Award for Academics. One of Vandana's greatest honors was

being chosen to speak at the National Day of Prayer and Remembrance on behalf of other fellow internationals.

To involve herself in the local community, Vandana has participated in Springdale Highway cleaning projects, Make a Difference Day, Alternative Spring Break and various fundraising activities for relief projects such as for the victims of the Gujarat earthquake in India and victims of September 11th. In her spare time, she enjoys dancing, writing poetry, outdoor activities and working with children.

After graduation, Vandana plans to join an MBA program. In the long term, she would like to return to her home country, India, and establish child-care homes.

NICI

WOSSES

"I have definitely learned that patience and a respect for diversity are valuable assets to possess. I have learned that being open to new experiences can be the best education one can receive."

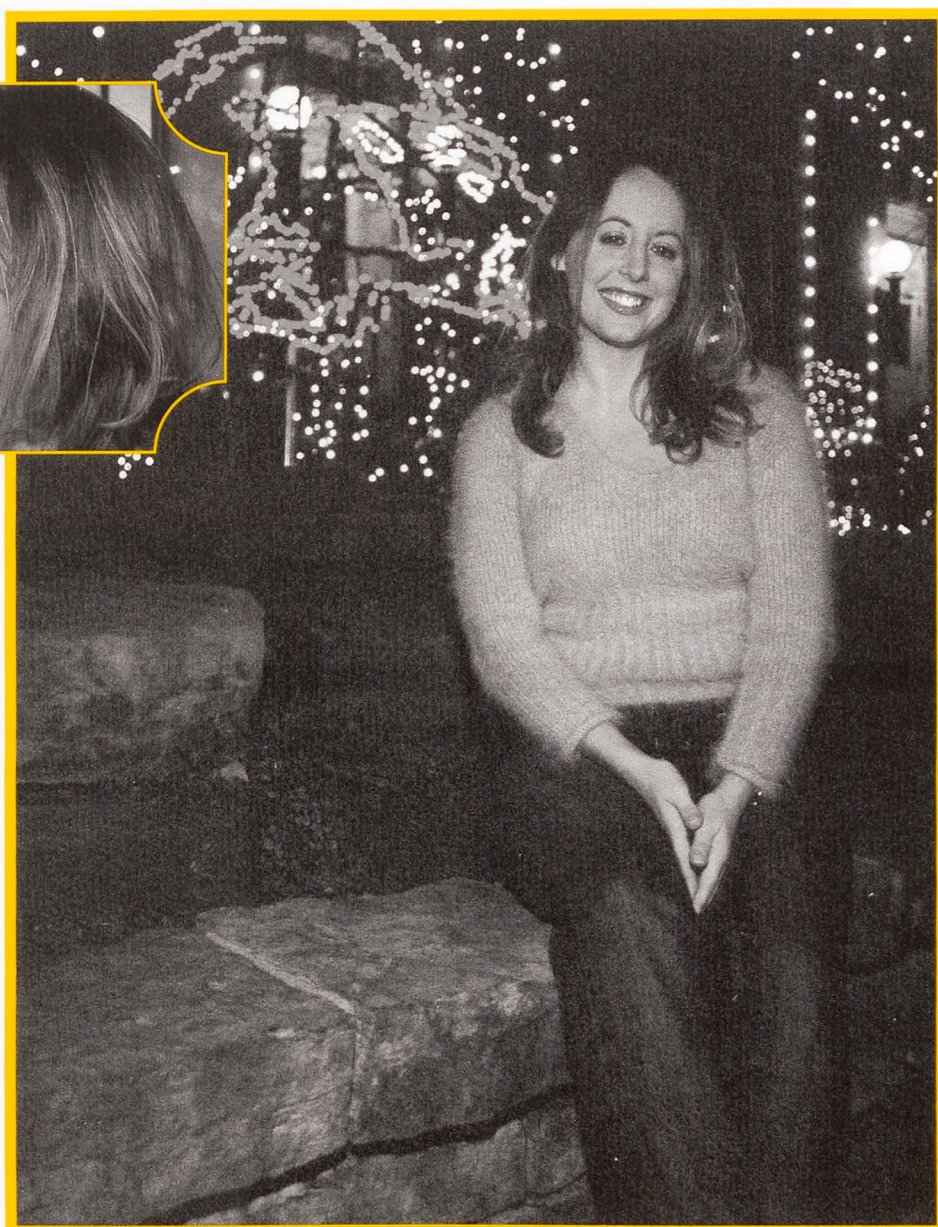

Nici is a senior Journalism major specializing in Broadcast and Advertising/Public Relations. She is from Springfield, Missouri. Nici says that the U of A changed her life by helping her use her potential to the fullest level. She has become involved in UATV, Alpha Delta Pi, Student Alumni Board, SPJ, Student Media Board, Study Abroad Students Association, Emerging Leaders, University Programs and P.R.S.S.A. Her academic honors include Esdel Ford awards, Jim Elder Good Sport Award, Y Vote 2000 Fellowship and L.A. Media Workshops. She has also interned for the Burly Bear Network, KSPR 33, MidSouth Entertainment and The Houston Nutt Show.

Her community involvement includes Lend a Hand, various food drives, Ronald McDonald House, Race for the Cure, serving as NYCFF Campus Representative, College Broadcast Campus Representative and volunteering at the NWA Music Awards.

In her spare time, Nici enjoys dance, pilates, kick-boxing, water skiing, hiking, reading, writing and music. Her biggest love is travel. During her junior year, she studied abroad on Semester at Sea where she visited Japan, China, Malaysia, Turkey, Italy, Singapore, Hong Kong, France, Vietnam, Mexico, India, Morocco, Croatia, Jamaica, Canada, and Egypt.

Nici has set many goals for her future. Professionally, she desires to become an influential leader in the world of entertainment media.

Personally, upon becoming established in a career, she hopes to become a motivational speaker to high school students, start a media campaign to take a stand against discrimination and to take an active role in charitable organizations regarding prostate and breast cancer and international help efforts.

DESTINATION...

WILLIAMS

WHERE ARE YOU GOING...

...to go after graduation

...to live

...to work

...to be five years from now?

While we can't tell you the answers to these questions we can tell you about being an industry leader in energy and communications and the great benefits we give our employees. But that alone won't distinguish the road to Williams from other corporations. Where we came from, where we're going and what we stand for places Williams above the rest. It's up to you to decide if you want to be a part of our adventure.

We're known as a company that offers employees opportunities to contribute, earn recognition, grow and succeed. We believe that's because we value the diversity and

individuality of our employees and encourage their professional development and community involvement.

We are actively looking for people with degrees in **Engineering, MIS, Computer Science and Business**. If you're interested in a challenging career with great rewards, make your Destination Williams.

Williams

Find out more about Williams at www.williams.com.

Where in the world is your career going?

What if you could pick from 150 countries?

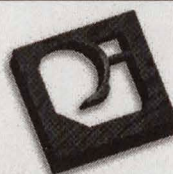

What about L'Oreal?

Who? L'Oreal, the number one beauty products company in the world.

Why? We have a rich tradition, a loyal customer base, incredible name recognition, and a reputation for quality unsurpassed in the industry. At our North Little Rock facility, we produce the Maybelline product line. We have a highly automated, high-speed manufacturing operation, and a state-of-the-art distribution center. And we need *you*.

How? Recruiting@us.loreal.com

FAX 501-955-8620

Plastic Ingenuity, Inc.

Plastic Ingenuity was founded in 1972 and has expanded into one of the largest custom thermoformers in the U.S. Our blend of advanced technology and equipment, competent and highly motivated personnel, and strong team-oriented approach helps us achieve our primary goal: Satisfying the Customer.

A powerful past. An exciting present. And one dynamic future for you.

Comerica may be a Fortune 500 company with \$50 billion in assets and 150 years of banking leadership. But we didn't get to where we are today without great people. By working together, we've become one of the nation's largest and most respected financial institutions. Come add your strengths to ours.

We offer a wide range of financial services tailored to corporate customers, entrepreneurs and professionals. Comerica Bank-California operates regional banking offices throughout California and in Phoenix, Arizona; Denver, Colorado; and Kirkland, Washington. Comerica has additional offices in Atlanta, Georgia; Boston, Massachusetts; New York, New York; Raleigh-Durham, North Carolina; Portland, Oregon; Austin and Dallas, Texas; and Reston, Virginia. We provide specialty financial services for industries such as:

- Technology and Life Sciences
- Healthcare
- Entertainment
- Manufacturing & distribution
- Apparel & textile
- Title & escrow

In addition, we offer:

- Residential construction lending
- Merchant card transaction processing
- Foreign exchange services
- Investment planning
- Equipment leasing
- Treasury management services
- International trade finance

Comerica is a progressive, nationally recognized leader in the financial industry. Our dedication to an employee-focused work environment has contributed to our steady growth. If you are the superior professional that we are looking for, explore the following opportunities:

FINANCE ▪ BUSINESS DEVELOPMENT ▪ INFORMATION TECHNOLOGY

Please forward resume to: Comerica Bank-California, Attn: John P. Kirsch, SVP, P.O. Box 92991, Los Angeles, CA 90009. Fax (310) 417-5437. Visit our Web site at www.comerica.com.

Comerica Bank-California is a subsidiary of Comerica Incorporated (NYSE:CMA).

RAZORBACK

cLOSING

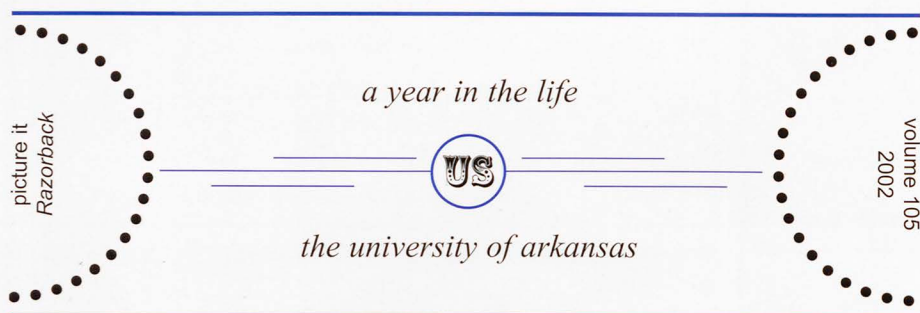

This book was designed to honestly reflect two semesters at the University of Arkansas from August 2001 to May 2002.

This was done by omitting needless text and presenting photographs in chronological order in a bold and (we think) interesting way.

The book was developed around a **PICTURE IT** theme which was inspired by the **CIRCUS** font.

It is the hope of this 2002 *Razorback* staff that the student body will find the book as much fun as it was for us to create.

RAZORBACK

RAZORBACK STAFF AND DETAILS

Natalie Anderson > editor in chief, art & theme director, monthly section editor, people editor, greek editor & index

Gerard Davenport > photo editor

Danielle McKinnie > marketing & advertising director

Jackson Murray > people features & Pig Tales editor

Beau Walker > organizations editor

COVER > the cover was designed by Sean Douglas & Natalie Anderson. It is a black lexotone cover with top mylar stamping in white foil with a cutout grain and blind embossing.

ENDSHEETS > the endsheets were designed by Natalie Anderson using Taylor spot colors All-American Red #31 and Brilliant Yellow #51 which were also used throughout the book along with Super Blue #11. A UV coating was applied to the endsheets and to the color pictures on pages 1-16.

PAPER > 80 lb. matte white paper was used for the 336 page book.

TYPOGRAPHY > arial, circus and times new roman were the only fonts used.

PHOTOGRAPHS > photo credits are indicated by the photos in the monthly section. All organizations pictures, Classics and profile portraits were taken by Gerard Davenport. The mug shots were used with permission by the students and provided by the university with much thanks from the Razorback staff. A Polaroid SprintScan 35 Plus and an Agfa Duoscan T1200 were used for scanning.

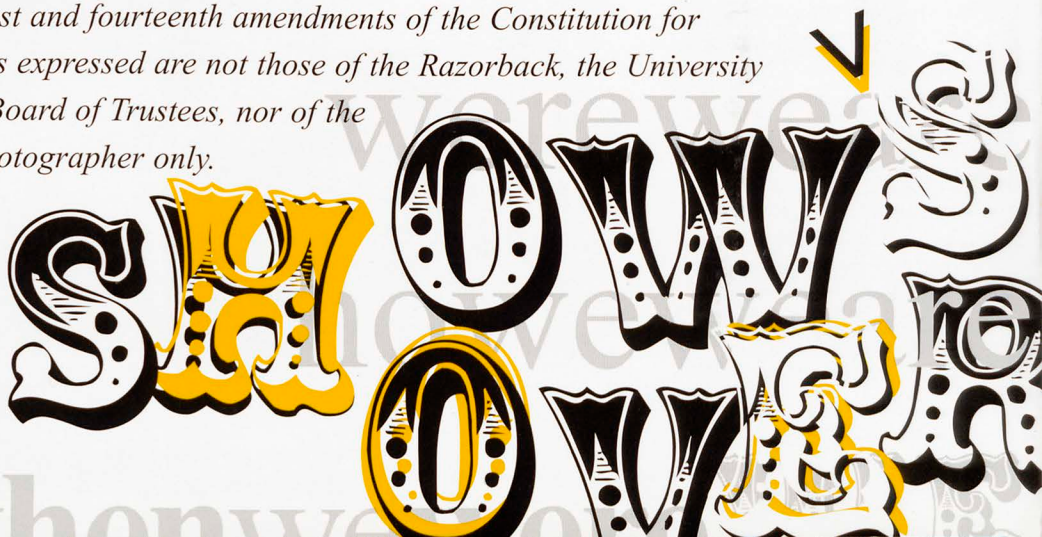

PRODUCTION > all pages were made using QuarkXPress 4.1 on four Macintosh computers and submitted for publishing in PDF form on zip disks. Adobe Photoshop 5.5 was also used.

PUBLISHING > Taylor Publishing Co. in Dallas, TX printed the 105th Razorback. Susan Alderson represented Taylor. Fifteen hundred books were printed.

ADVERTISING > Scholastic Advertising Inc. of Carson City, NV provided all advertising pages.

CONTENT > the Razorback claims the first and fourteenth amendments of the Constitution for freedom of the press. The opinions and ideas expressed are not those of the Razorback, the University of Arkansas, the Student Media Board, the Board of Trustees, nor of the student body, but of the student writer or photographer only.
